PREVIOUS ACTION

On September 13, 2022, the BCC approved numerous ARPA and SLFRF projects including this project #35 for the Second Judicial District Court, Family Peace Center.

For all Board of County Commissioner actions related to the American Rescue Plan Act Coronavirus State and Local Fiscal Recovery Funds between July 20, 2021 through April 23, 2024, visit the [Washoe County ARPA webpage](#).

BACKGROUND

On March 11, 2021, the American Rescue Plan Act was signed into law, and established the Coronavirus State Fiscal Recovery Fund and Coronavirus Local Fiscal Recovery Fund. Washoe County has been awarded a grant of \$91,587,038 in State and Local Fiscal Recovery Funds (SLFRF). On May 17, 2021, Washoe County received payment from the Department of Treasury in the amount of \$45,793,519, fifty percent of the award funds. The SLFRF provide a substantial infusion of resources to help turn the tide on the pandemic, address its economic fallout, and lay the foundation for a strong and equitable recovery.

Eligible Uses

As a recipient of an SLFRF award, Washoe County has substantial discretion to use the award funds in the ways that best suit the needs of county constituents – as long as such use fits into one of the following four statutory categories:

1. To respond to the COVID-19 public health emergency or its negative economic impacts;
2. To respond to workers performing essential work during the COVID-19 public health emergency by providing premium pay to eligible workers of the recipient that are performing such essential work, or by providing grants to eligible employers that have eligible workers who perform essential work;
3. For the provision of government services, to the extent of the reduction in revenue of such recipient due to the COVID–19 public health emergency, relative to revenues collected in the most recent full fiscal year of the recipient prior to the emergency; or

4. To make necessary investments in water, sewer, or broadband infrastructure.

Description:	The Family Peace Center provides access to supervised visitation and exchange services for families dealing with court matters at the Second Judicial District Court. Most parents that use the supervised visitation service have underlying substance abuse, alcohol, untreated mental health issues and/or domestic violence concerns. Without such service, the non-custodial parents would not be safe to visit their child in an unsupervised setting.
