

RESTRICTED AREA SHOOTING

With increased citizen concern regarding target shooting in Washoe County, the Washoe County Sheriff's Office would like to remind residents of county ordinances governing discharge of firearms only allowed in **restricted** areas.

Washoe County Code 50.094 to 50.154 states that it is unlawful to discharge:

- Anywhere in a congested area. See Washoe County APP for map.
- Any gun, pistol, or rifle, with the exception of shotguns, air rifles, or BB guns, within 5000 feet of an occupied dwelling.
- Shotguns, air rifles, or BB guns within 1000 feet of an occupied dwelling.
- A firearm from, upon, over or across any federal or state highway or any county road or highway.
- A firearm within a Nevada State Park, unless otherwise designated by the Administrator.
- Within the jurisdiction of the U.S. Forest Service, it is prohibited to discharge a firearm in or within 150 yards of a residence, building, campsite, developed recreation site or occupied area, or across or on a National Forest System road or a body of water adjacent thereto, or in a manner or place whereby any person or property is exposed to injury or damage as a result in such discharge, or into or within any cave.

RESTRICTED AREA SHOOTING

If shooters follow those parameters, they are generally allowed to shoot in any area not designated as a “no shooting” or “congested area”. It is important to remember these key points:

*A “**congested area**” is a geographic location where discharge of any firearm is prohibited. Because congested areas are generally densely populated, there is a high risk of personal injury.*

*A “**restricted area**” is a location where recreational shooters must be a minimum of 5000 feet away from an occupied dwelling to discharge a handgun or rifle. Recreational shooters must be a minimum of 1000 feet away from an occupied dwelling to discharge any BB gun or shotgun.*

Utilize the “Measure Distance” tool in Google Maps to determine your distance if necessary.

The Washoe County Sheriff's Office takes our residents' safety very seriously. The Sheriff's Office, with assistance from the Washoe County and Reno Roads Departments, posts congested area signs and maps in areas of reported concern, warning that shooting in a congested area could result in heavy fines.

Recreational shooters are encouraged to practice safe shooting in established and lawfully authorized and licensed rifle ranges, gun clubs or shooting galleries.
