Ben West called the meeting to order at 1:30 pm, read the public participation section of the agenda, took roll and declared there was a quorum.

2. Public Comment [Non-Action Item].

Cathy Hill felt notice should be given to employees, reminding them not to park in public areas with voting on going and seniors having to walk a long ways. Committee was in agreement and Ben West would have posted.

Monica verified that there would be public comment at the end as well. There was a member of public that was not present at this time.

No other Comment.

3. Announcement [Discussion Only].

Ben West announced the appointment of Kelly Echeverria to the Washoe County Safety Committee by Manager Brown as an employee with knowledge of Safety and/or Security per Code 65.

5. Presentation and Discussion of Industrial Injury Reports [For Possible Action]. A presentation of the Industrial Injury Summary reports and discussion, and possible action, to make recommendations for the purpose of prevention of work-related injuries or illnesses.

Edwin Smith presented the Calendar Year to Date report. We are still down in claims and costs in comparison to last year. None of the new claims see to be a facility issue or anything the committee would need to take action on. Edwin requested feedback regarding how the report will be presented going forward. The summary of claims will just be the new claims since the last meeting. The totals

Cathy Hill asked Edwin if CSD had ordered their snowmelt for the season and if they could pre open the buckets and have gloves and scoops available. Edwin will discuss with CSD. Monica mentioned that her location off campus had sufficient snowmelt last year. Ben will get Digicom to link the walk like a penguin video and get something out to employees.

However, action may not be taken on any matter raised during this public comment period until the matter is specifically listed on an agenda as an action item. William Mantle with the Library Department wanted to point out the heightened sense of angst against library workers and asked if we had considered expanding protections to these workers in the vein of the 2022 bill 406 that provides criminal enhancements for crimes committed against election workers.
