INDEMNIFICATION & HOLD HARMLESS

As respects acts, errors or omissions relating to the event, APPLICANT agrees to indemnify and hold harmless COUNTY, its officers, agents, employees, and volunteers from and against any and all claims, demands, defense costs, liability or consequential damages of any kind or nature arising directly or indirectly out of the event or any activity leading up to, during, or following the event, excepting those which arise out of the sole negligence of the COUNTY.

APPLICANT further agrees to defend COUNTY and assume all costs, expenses and liabilities of any nature to which COUNTY may be subjected as a result of any claim, demand, action or cause of action arising out of the negligent acts, errors or omissions of APPLICANT or its agents concerning the event.

INSURANCE REQUIREMENTS

COUNTY requires that APPLICANT purchase General Liability Insurance as described below against claims for injuries to persons or damages to property which may arise from or in connection with the event by APPLICANT, its agents, representatives, or employees. The staff and board of CT have had an on-site inspection and preliminary meetings with Mark Regan, Fire Chief. CT along with Stephen McCoy and Stephanie McCoy -our production managers- will be working with the Fire Department to assure that we comply with all fire regulations and requirements. CT will also have Mark Regan conduct all the fire inspections.

Water Supply and Sanitation:

CT will be using the current water and sanitation facilities of Sierra Nevada College. Signage will direct attendees to sanitation facilities.

The college campus exceeds requirements for anticipated attendees.

Medical facilities and services:

Medical facilities will not be necessary this event.

Vehicle parking spaces:

238 parking spaces are available for event use at Sierra Nevada College. It was determined that this will be sufficient for the 400 event attendees. If additional parking spaces are necessary the Recreation Center parking facilities (200 parking spots) have been identified. They have agreed with CT on providing these additional spots.

Vehicle access and parking control:

See the attached site plan where vehicle access can be seen. Traffic control will be provided by at least two volunteers during each night of the event.

Communication system:

One microphone on stage can be utilized for attendees' announcements if necessary. Event director and designated event emergency team will have both cell and radio communication. There will be no amplification of music at this event.

Illuminating the premises:

All event activity will be over by 9:00pm, which will be the beginning of dusk during this time of the year. Event parking and path lighting is already installed at Sierra Nevada College. The tent and stage lighting will be provided by Starsound Audio and Lighting.

Camping:

No camping will be allowed at this event

Clean-up and Rubbish removal:

Classical Tahoe Volunteers and Waste Management will be looking after the clean-up and rubbish removal. IVGID will be providing CT with two lockable trash containers with scheduled pick up.

Estimated cost: The total cost of Waste management for 2018 was \$103.33. We estimate the same cost for 2019.
