**Administrative Permit Definition**

The purpose of an administrative permit is to provide a method of review for a proposed use which possess characteristics that requires a thorough appraisal in order to determine if the use has the potential to adversely affect other land uses, transportation or facilities in the vicinity. The Board of Adjustment or the Hearing Examiner may require conditions of approval necessary to eliminate, mitigate, or minimize to an acceptable level any potentially adverse effects of a use, or to specify the terms under which commencement and operation of the use must comply. Prior to approving an application for an administrative permit, the Board of Adjustment must find that all of the required findings, if applicable, are true.

The Conditions of Approval for Administrative Permit Case Number WADMIN19-0012 are attached to this staff report and will be included with the Action Order, if approved.

The subject property is designated as Parks and Recreation (PR). Based on the applicant's estimated maximum number of attendees on any one day of the event (850-900), the event qualifies as an "outdoor community event" under WCC Section 25.272, which is allowed in the PR regulatory zone but requires an administrative permit under WCC Section 110.310.20. The applicant is therefore seeking approval of the administrative permit for the proposed outdoor community event. The approval of the administrative permit will also include approval of the associated outdoor community event business license.

**Site Plan**

## **Project Evaluation**

The Incline Tahoe Foundation (ITF) is requesting to have an outdoor community event to host the Beer & Brats event. The event has been hosted by ITF since 2014 as a fundraiser. ITF was created to enhance the overall well-being of the Incline Village and Crystal Bay community's public parks and recreation facilities. It is estimated that 450 to 500 people will attend the event.

Incline Spirits & Cigars will select the breweries participating and showcase their beers at the event, along with root beer and Tahoe Tap. Tickets are sold for the event at the Visitor Center and additional local locations. At registration and collection of tickets, identifications will be checked and wristbands will be issued; one color will be for those over 21 years old and another color for those under 21 years old. The ticket will include tickets for food, which is two brats and a bun, potato salad, sauerkraut, and soft pretzels.

The brats are cooked on the outside grills at Aspen Gove. Volunteers will help with the cooking and serving of food, while other volunteers will assist in keeping the tables and area clean of food and debris. There will be two handwashing stations on site along with the 2 non-gender port-a-potties and the existing restrooms.

Parking will be available on the surrounding streets and at the Recreation Center and overflow parking lot. Typically, people walk to the event from the available parking areas. Two parking spaces will be reserved for Washoe County inspectors during the event.

For security, communication and safety, two Washoe County Sheriff officers will be on site. Staff and volunteers will have cell phones with them at all times to communicate and report any issues. Also, there will be fire extinguishers and first aid kits with automated external defibrillator (AED) available on site.

## **Incline Village/Crystal Bay Citizen Advisory Board (IVCB CAB)**

The proposed event was heard at the regularly scheduled May 6, 2019 Incline Village/Crystal Bay Citizens Advisory Board. The Board voted to approve the event unanimously and the CAB minutes are attached (See Exhibit B).

## **Reviewing Agencies**

The following agencies received a copy of the project application for review and evaluation.

- Washoe County Community Services Department
  - Planning and Development Division
  - Engineering and Capital Projects Division
- Washoe County Health District
  - Environmental Health Services Division
  - Emergency Medical Services Program
- Washoe County Risk Management
- Incline Village Sheriff
- North Lake Tahoe Fire Protection District
- Incline Village General Improvement District

Agencies/departments provided comments and/or recommended conditions of approval in response to their evaluation of the project application (see Exhibits A & C).

## **Staff Comment on Required Findings**

WCC 110.808.25 requires that all of the following findings be made to the satisfaction of the Washoe County Board of Adjustment before granting approval of the administrative permit

request. Staff has completed an analysis of the application and has determined that the proposal is in compliance with the required findings as follows.

1. Consistency. That the proposed use is consistent with the action programs, policies, standards and maps of the Master Plan and the Tahoe Area Plan.

*Staff Comment:* There are no policies or action programs that prohibit the approval of a temporary one-day event of this nature in the Tahoe Area Plan.

2. Improvements. That adequate utilities, roadway improvements, sanitation, water supply, drainage, and other necessary facilities have been provided, the proposed improvements are properly related to existing and proposed roadways, and an adequate public facilities determination has been made in accordance with Division Seven.

*Staff Comment:* The applicant has addressed the applicable requirements for providing sanitation, and parking for the temporary one-day event.

3. Site Suitability. That the site is physically suitable for pancake breakfast within a temporary tent structure located on the beach adjacent to Lake Tahoe and for the intensity of such a development.

*Staff Comment:* The event has been held at this location on previous occasions, and temporary improvements have been planned to make the site suitable for the temporary one-day event.

4. Issuance Not Detrimental. That issuance of the permit will not be significantly detrimental to the public health, safety or welfare; injurious to the property or improvements of adjacent properties; or detrimental to the character of the surrounding area.

*Staff Comment:* Impacts associated with the event are of limited impact and duration as this is a temporary, one-day, event. Therefore, there will be no significant impact to the public health, safety or welfare; the event is unlikely to be injurious to the property or improvements of adjacent properties; or detrimental to the character of the surrounding area.

5. Effect on a Military Installation. Issuance of the permit will not have a detrimental effect on the location, purpose or mission of the military installation.

*Staff Comment:* There is no military installation in the area that is required to be noticed for this Administrative Permit; therefore this finding does not need to be made.

## **Recommendation**

Those agencies which reviewed the application recommended conditions in support of approval of the project or provided no comments. Therefore, after a thorough analysis and review, Administrative Permit Case Number WADMIN19-0012 is being recommended for approval with conditions. Staff offers the following motion for the Board's consideration.

## **Motion**

I move that, after giving reasoned consideration to the information contained in the staff report and information received during the public hearing, the Board of Adjustment approve Administrative Permit Case Number WADMIN19-0012 for Incline Tahoe Foundation and an outdoor community event business license application and associated license conditions, for Beer & Brats, having made all five findings in accordance with Washoe County Development Code Section 110.808.25, I further move to authorize the Director of the Planning and Building Division to issue the business license when all pre-event conditions have been satisfied.

1. Consistency. That the proposed use is consistent with the action programs, policies, standards and maps of the Master Plan and the Tahoe Area Plan;
2. Improvements. That adequate utilities, roadway improvements, sanitation, water supply, drainage, and other necessary facilities have been provided, the proposed improvements are properly related to existing and proposed roadways, and an adequate public facilities determination has been made in accordance with Division Seven;
3. Site Suitability. That the site is physically suitable for pancake breakfast and for the intensity of such a development;
4. Issuance Not Detrimental. That issuance of the permit will not be significantly detrimental to the public health, safety or welfare; injurious to the property or improvements of adjacent properties; or detrimental to the character of the surrounding area;
5. Effect on a Military Installation. Issuance of the permit will not have a detrimental effect on the location, purpose or mission of the military installation.

### **Appeal Process**

Board of Adjustment action will be effective 10 calendar days after the written decision is filed with the Secretary to the Planning Commission and mailed to the original applicant, unless the action is appealed to the Washoe County Board of County Commissioners, in which case the outcome of the appeal shall be determined by the Washoe County Board of County Commissioners. Any appeal must be filed in writing with the Planning and Building Division within 10 calendar days from the date the written decision is filed with the Secretary to the Board of Adjustment and mailed to the original applicant.

# Conditions of Approval

Administrative Permit Case Number WADMIN19-0012

The project approved under Administrative Permit Case Number WADMIN19-0012 shall be carried out in accordance with the Conditions of Approval granted by the Board of Adjustment on June 6, 2019. Conditions of Approval are requirements placed on a permit or development by each reviewing agency. These Conditions of Approval may require submittal of documents, applications, fees, inspections, amendments to plans, and more. These conditions do not relieve the applicant of the obligation to obtain any other approvals and licenses from relevant authorities required under any other act or to abide by all other generally applicable Codes, and neither these conditions nor the approval by the County of this project/use override or negate any other applicable restrictions on uses or development on the property.

**Unless otherwise specified**, all conditions related to the approval of this Administrative Permit shall be met or financial assurance must be provided to satisfy the conditions of approval prior to issuance of a grading or building permit. The agency responsible for determining compliance with a specific condition shall determine whether the condition must be fully completed or whether the applicant shall be offered the option of providing financial assurance. All agreements, easements, or other documentation required by these conditions shall have a copy filed with the County Engineer and the Planning and Building Division.

Compliance with the conditions of approval related to this Administrative Permit is the responsibility of the applicant, his/her successor in interest, and all owners, assignees, and occupants of the property and their successors in interest. Failure to comply with any of the conditions imposed in the approval of the Administrative Permit may result in the initiation of revocation procedures.

Operational Conditions are subject to review by the Planning and Building Division prior to the renewal of a business license each year. Failure to adhere to the Operational Conditions may result in the Planning and Building Division recommending that the business license not be renewed until conditions are complied with to the satisfaction of Washoe County.

Washoe County reserves the right to review and revise the conditions of approval related to this Administrative Permit should it be determined that a subsequent license or permit issued by Washoe County violates the intent of this approval.

For the purpose of conditions imposed by Washoe County, “may” is permissive and “shall” or “must” is mandatory.

Conditions of Approval are usually complied with at different stages of the proposed project. Those stages are typically:

- Prior to permit issuance (i.e., grading permits, building permits, etc.).
- Prior to obtaining a final inspection and/or a certificate of occupancy.
- Prior to the issuance of a business license or other permits/licenses.
- Some “Conditions of Approval” are referred to as “Operational Conditions.” These conditions must be continually complied with for the life of the project or business.

**2. \*ROLL CALL/DETERMINATION OF A QUORUM** - Pete Todoroff, Tom Cardinale, Gerry Eick, Judy Miller, Gene Brockman. A quorum was determined.

Absent: Kevin Lyons (excused), Mike Sullivan (not excused).

**3. \*PUBLIC COMMENT** –

Wayne Ford handed out a letter written to the State Board of Architecture regarding liability and the responsible party. The County has been ignoring the requirement per NRS. These are permits that need documentation of who is doing the work. Architects and designers must stamp and sign them. Licensing requires it for accountability issue. He said we have worked hard for our licenses. To allow out of state architects to have the same status isn't right. They need to get their license here. It's undermining the NV licensed people.

Andy Chapman, CEO of the Incline Village Visitors Bureau, and member of the Fireworks Coalition. He said there will be fireworks this year for the 4<sup>th</sup> of July holiday. There is contradictory information out there that claims there won't be any fireworks this year. The coalition has worked together to make it happen. We have a permit application in place. It will be heard at May 28 by Board of County Commissioners.

**4. APPROVAL OF AGENDA FOR THE MEETING OF MAY 6, 2019** – Gene Brockman moved to approve the agenda. Pete Todoroff seconded the motion to approve the agenda for **MAY 6, 2019**. Motion carried unanimously.

Pete Todoroff wanted to know why this event is now coming before this board. Gerry Eick said it's a new requirement to permit events with attendance more than 250 people.

Julee Olander, Washoe County Planner, said these events have been broken up into individual events versus when RWTB was considered one big event. She explained the process for the each event. Julee complimented IVGID staff and firework coalition on complete applications.

Ok, we have received the last of the event applications for the July 4<sup>th</sup> for Incline Village, The Duck Races and Veteran events, which I have attached . These are not reviewed by a board, but and reviewed by the Director of Planning and Building because of the number of attendees. I need conditions by 5/8- which is the same date that the events going to the BOA are due. You will be receiving 3 events on Monday that will go to the BOA- the community pancake breakfast, the veterans pancake breakfast and Beer and Brats. You should have received the fireworks application already and I need those comments by Monday 4/22. The turnaround is the quickest on the fireworks because it's going to BCC on May 28<sup>th</sup>. Let me know if you are having any problems or think that you will have any problems getting your conditions to me by 4/22 for the fireworks or by 5/8 for the other events.

Thank you,

|

## PARKING, REGISTRATION AND ASPEN GROVE SITE MAP

**Parking and Traffic:** Historically **most guests walk** to the Beer & Brats event from either one of the beaches or another holiday event. Because the event is held at Aspen Grove, traffic flow is not an issue. For those who are driving to Aspen Grove, parking on Incline Way, Village and Country Club is available. Parking at the Recreation Center and Overflow Lot is also available. Minimal parking at Aspen Grove will be available and is included as an option. Two parking spots in the Aspen Grove Parking lot will be reserved for Washoe County Inspectors during the event. Permission has been obtained from IVGID for the use of all parking lots owned by IVGID. *Please see the maps titled "Recreation Center Parking Map (2), Overflow Parking Map, and Aspen Grove Parking Map" for a birds eye view of the available parking. A letter from IVGID authorizing the use of the lots and Aspen Grove for the Beer & Brats event is included.*

**Entrance/Exit and Registration:** Tickets for Beer and Brats are sold through [www.activitytickets.com](http://www.activitytickets.com), at the Incline Village Visitors Center, and at Incline Spirits & Cigars. ITF Board Member, Fonda Murch is in charge of registration. *Please see the detailed site map of Aspen Grove for the entrance and exits points to the event.*

- There is one entrance point to the event — at the front of Aspen Grove Building and two primary exits points (through the main entrance and from the gate at the far end of Aspen Grove. The entrance and exit points gates will remain open guarded by registration/security tables staffed with volunteers during the entire event. Ticket prices

**Minors Attending the Event:** At registration, guests will be carded to determine if they are of drinking age. Those under the age of 21 years will receive one color wrist band placed on their wrists by an ITF volunteer. Additionally, those under the age of 21 years will be given a red Solo cup to for either root beer or Tahoe Tap. For those guests 21 years and older, a different color wrist band will be placed on their wrists by an ITF volunteer. They will also be given a four (4) ounce sampling commemorative glass. **Fire Safety Requirements:** One K fire extinguisher and one ABC fire extinguisher, provided by RWTB and approved by the NLTFPD, will be available at the event. One will be located in the Aspen Grove building; the second will be next to the BBQ area.

Registration tables at the entrances to Aspen Grove will be staffed for the duration of Beer & Brats. ITF Board Members will have cell phones with them at all times. Volunteers are given the cell phone numbers of the Board Members should an emergency arise. Because there are 40+ people working Beer & Brats, identified by aprons and name tags, guests are able to easily identify individuals who are at the event to provide any assistance needed. There is also a landline in Aspen Grove.

**Medical Aid:** There is an AED and First Aid kit located in the Aspen Grove Building. Staff is trained in CPR/AED and/or Advanced First Aid. Volunteers will be instructed to call 911 in the event of a Medical Emergency.

**Emergency Evacuation:** In the days leading up to the event, Staff will monitor the weather through NOAA. Should extreme weather be imminent, the decision for event cancellation will be made 24 hours in advance. In the event of an unexpected storm or emergency, event participants who came to the event on foot will be directed to shelter in place in the Aspen Grove building. Participants who drove to the event will be advised to shelter in their cars. Should it be determined that the emergency requires evacuation from the event location, the Incline Village Recreation Center Gym, 980 Incline Way, Incline Village NV 89451 will become an emergency shelter. Volunteers will lead participants to the Rec Center by traveling the pathways on either side of the Village Green, crossing Incline Way and reaching the Rec Center entrance on the east side of the building, via the access road.

**Food Handling:** Guests to Beer & Brats are given two tickets at registration for two brats with buns. Ethan Bollinger is the ITF board member in charge of food/food service. Attendees must have a ticket to be served a brat. ITF also serves potato salad, sauerkraut, and soft pretzels. A self-service condiment table with relish, onions, a selection of mustards, and ketchup will be set up at the end of the food line. Runners replenish food supplies. Food handlers are required to wear gloves at all times and use tongs to serve the buns, brats, and pretzels. Long spoons are used to serve the potato salad. Special care is taken to ensure the brats are cooked to the correct temperature and the refrigerated food items are kept cold. There are two handwashing stations on site — one next to the BBQ area and the second near the fixed table where the guests dine. The symbol on the site map designating the location of the handwashing stations is
