

Washoe County
Board of Adjustment
washoe311@washoecounty.us

This letter is written in support of The Club at ArrowCreek's request to build their indoor pickle ball courts at an improved location. It is case #WADMIN20-20010.

This vote will be item #9c scheduled for the December 3, 2020 Board Of Adjustment meeting.

These pickle ball courts have been previously unanimously approved by both the CAB and BOA on the same parcel of land but at a different location. The originally approved location was by the clubhouse. The new location will have less neighborhood noise and provide for increased parking spaces and less congestion in the main clubhouse parking lot. The new building site will also provide for more available parking at the pickle ball courts.

The Citizens Advisory Board has voted unanimously to approve #WADMIN20-20010 and I urge you, The Board of Adjustments, to also approve this application with your unanimous vote.

Sincerely,
Gary W. Pestello

15 year ArrowCreek resident and member of The Club at ArrowCreek.

To Whom It May Concern,

I am a resident of ArrowCreek and a member of The Club at ArrowCreek (TCAC). I ask that you accept and approve the plans to build Pickleball courts on TCAC property. I have taught and played pickleball for 30 years and truly believe this is an excellent form of exercise for people of all ages. In this day and age, we need to stay active and healthy in any way we can, and I believe these indoor courts will allow many people to do just that year round. Pickleball is one of the fastest growing sports in the country, especially with the baby boomer population, and I believe these courts will be utilized quite often.

The Club at ArrowCreek has gone through a comprehensive upgrade which has enhanced this community and provided so many more opportunities for all members. The pickleball court development has been scheduled in phase three of the strategic plan and many of us are very excited to see this project completed.

Thank you for your consideration,

Katie Keller

Date: Sunday, November 29, 2020 10:21:34 PM

[**NOTICE:** This message originated outside of Washoe County -- **DO NOT CLICK** on **links** or open **attachments** unless you are sure the content is safe.]

Hello,

My name is Lisa Ciorciari. My family and I have been ArrowCreek residents and members of The Club at ArrowCreek (TCAC) for nearly ten years. I am writing to express my support for the plans to build an indoor Pickleball facility on TCAC property. As a member of The Club, I have seen the recent additions of the pool, restaurant, and practice facilities, and how these new amenities have not only enhanced our membership experience, but also has likely increased property values for all residents of ArrowCreek.

Pickleball has quickly become the fastest growing sport in the country. The members of TCAC and residents of ArrowCreek have shown an increased interest in playing Pickleball. At this time, facilities in the area are limited. The addition of Pickleball courts at TCAC will add even more opportunities for families living in this community.

Thank you for your time and consideration.

Lisa Ciorciari

We are residents of ArrowCreek and members of The Club at ArrowCreek (TCAC). We ask that you accept and approve the plans to build Pickleball courts on TCAC property.

The Club at ArrowCreek has undertaken a comprehensive building project to greatly enhance the activities and opportunities available to its members. Many believe this project has resulted in increased property values for all ArrowCreek residents. In addition, TCAC has recognized that one of the fastest growing and most popular sports is Pickleball. The plan to construct Pickleball courts will add greater value to the 900+ Golf and Sport members of TCAC and be another incentive for families to consider membership to TCAC. Residents and TCAC members already live in a premier residential setting. Adding Pickleball courts to our community will only create additional value. Please approve the plans for Pickleball courts.

Thank you for considering our comments.

Hello,

My name is Donna Maland. I am a 20 year resident of Arrowcreek and a member of The Club at Arrowcreek.

As an avid pickleball player I am asking you to register my support for The Club at Arrowcreek to build the approved pickleball facility at a different location at The Club. This new location not only provides better neighborhood noise protection but also more parking spaces.

As a club member I feel we are so fortunate to have pickleball courts as an amenity of the country club. As I am sure you are aware, pickleball is one of the fastest growing sports in the United States and it is a sport that can easily be played with both young and old.

This application was previously and unanimously approved by the CAB but your your vote is needed again on December 3rd item #9c.

I urge your approval of this application .

Thank you,

Donna Maland

Comments	Public Comment for Board of Adjusters Meeting, December 3, 2020, Case #WADMIN20-20010 (Club at ArrowCreek), item 9c Hello, My name is Lisa Ciorciari. My family and I have been ArrowCreek residents and members of The Club at ArrowCreek (TCAC) for nearly ten years. I am writing to express my support for the plans to build an indoor Pickleball facility on TCAC property. As a member of The Club, I have seen the recent additions of the pool, restaurant, and practice facilities, and how these new amenities have not only enhanced our membership experience, but also has likely increased property values for all residents of ArrowCreek. Pickleball has quickly become the fastest growing sport in the country. The members of TCAC and residents of ArrowCreek have shown an increased interest in playing Pickleball. At this time, facilities in the area are limited. The addition of Pickleball courts at TCAC will add even more opportunities for families living in this community. Thank you for your time and consideration. Lisa Ciorciari 2978 Roundrock Ct

Reno, NV 89511

To Whom It May Concern,

I am a resident of ArrowCreek and a member of The Club at ArrowCreek (TCAC). I ask that you accept and approve the plans to build Pickleball courts on TCAC property. I have taught and played pickleball for 30 years and truly believe this is an excellent form of exercise for people of all ages. In this day and age, we need to stay active and healthy in any way we can, and I believe these indoor courts will allow many people to do just that year round. Pickleball is one of the fastest growing sports in the country, especially with the baby boomer population, and I believe these courts will be utilized quite often.

The Club at ArrowCreek has gone through a comprehensive upgrade which has enhanced this community and provided so many more opportunities for all members. The pickleball court development has been scheduled in phase three of the strategic plan and many of us are very excited to see this project completed.

Thank you for your consideration,

Katie Keller

Origin	Email
Comments	Public Comment for Board of Adjusters Meeting December 3, 2020, case# WADMIN20-20010 (The Club at ArrowCreek) , Item 9c We are residents of ArrowCreek and members of The Club at ArrowCreek (TCAC). We ask that you accept and approve the plans to build

Pickleball courts on TCAC property.

The Club at ArrowCreek has undertaken a comprehensive building project to greatly enhance the activities and opportunities available to its members. Many believe this project has resulted in increased property values for all ArrowCreek residents. In addition, TCAC has recognized that one of the fastest growing and most popular sports is Pickleball. The plan to construct Pickleball courts will add greater value to the 900+ Golf and Sport members of TCAC and be another incentive for families to consider membership to TCAC. Residents and TCAC members already live in a premier residential setting. Adding Pickleball courts to our community will only create additional value. Please approve the plans for Pickleball courts.

Thank you for considering our comments.

Comments Hello,

My name is Donna Maland. I am a 20 year resident of Arrowcreek and a member of The Club at Arrowcreek.

As an avid pickleball player I am asking you to register my support for The Club at Arrowcreek to build the approved pickleball facility at a different location at The Club. This new location not only provides better neighborhood noise protection but also more parking spaces.

As a club member I feel we are so fortunate to have pickleball courts as an amenity of the country club. As I am sure you are aware, pickleball is one of the fastest growing sports in the United States and it is a sport that can easily be played with both young and old.

This application was previously and unanimously approved by the CAB but your your vote is needed again on December 3rd item #9c. I urge your approval of this application .

Thank you,

Donna Maland
