Originally scheduled 3.5.20, cancelled for lack of quorum, 3 of 5 necessary. New date: Mon 3.16.20 1:30pm...

I am known as Patricia Louise Sanburn Anthony, Pat Anthony to most, Pat is fine for this matter. My husband & partner, William Michael Anthony, prefers to be addressed as Bill: no titles 4 us, Mr. Ms. Mrs. EVER. We are both American State Nationals, Nevadans by choice of domicile, verified in public record, also noticed to officials.

I AM a life-long student of optimal Health & well-Being (& Doing), creation, history, law, so-called "money", & government & discovered much that is *not commonly known by most people*, very pertinent to one's freedom & optimal Health in all areas of Life enhancement 4 highest Good of ALL.

Thank you dear people for volunteering to serve in this forum & hear us today on pertinent issues to all Nevadans & Americans, for whom we also speak.

We will be: (one) correcting some errors and omissions in Chad's presentation to clarify our Claims; 2) adding some pertinent items not in your record that should be considered, some already provided before Administrative Hearing, at Hearing or after, perhaps mistakenly omitted; 3) clarifying the **Flowchart of Authority** with \*\*\*\*\* **Our Actual Sovereign Government\*\*\*** at the top, and our status and standing and WC's & THEIR CODEs in relationship to same; 4) adding new info that all here can learn from for highest good of all people that also clarifies our status, standing and Claims in this matter and 5) Directing reversal in this matter per your Board directives F (iii) A through F.

We testify using Declaration of Independence, constitutions, maxims of Law, Public Law, pertinent case law & Supreme Court rulings, established unrebutted Public and published Records ..... and expert testimonies and Notices of other Patriots we cooperate with to Peacefully Lawfully restore and Reconstruct our Lawful Government as 'twas intended by our Founders. We intend assistance to again make America truly the land of the Free, respecting each's Creator-granted rights and dignity to free will choice, as long as no harm is done against another or their property.  
[ Opening statement from Common Law Handbook]

[3] On the **Flowchart of Authority** illustrating **\*\*Our Actual Sovereign Government\*\*** a Red Box has been added around the 2 bottom right sections, depicting where both the Territorial and Municipal corporate Washoe County entities, along with Their Federal Code, Statutory Law, (NRS) and Municipal Code (WCC) belong. Never are the words "man", "woman" or "people" mentioned in NRS or WC CODE, which means to me same do not apply to us, except by our consent, which we have clearly, consistently and continuously denied such consent thereto in this matter. We are indeed outside and beyond the alleged jurisdiction of both NRS and WC Code, both being for *private incorporated entities* to which we do *not* subscribe or consent to; I Am not a member of that Corp[se] matrix, which to me is fictional, dead and illusionary, designed to control & even enslave one into its confines, which I Refuse for good Cause in this matter & otherwise, as appropriate when accosted/ trespassed upon with same by agents of *foreign corporate governments* in violation of our Natural & Unalienable Rights & noticed foreign sovereign status & standing.

---

[1, 2,3 &4] We have established on the Public Record, WC Recorder DOC #s 4927133 for Pat, 4927134 for Bill, our **Declaration & Claim of American National Political Status** with numerous Extensions, all Notary witness verified testimony. Pat's had also been submitted as "Certified True & Correct copy of original Record for administrative use as evidence" at 1.15.2020 Hearing via acting bailiff along with Bill's: one copy of each to Hearing Officer Elizabeth Byer & one for WC agents, but it appears they were *perhaps shuffled* & both Bill's went to WC agents, both Pat's to Elizabeth, as Chad's report shows Bill's listed twice & Pat's absent from his list, which we today correct for the record. You have Pat's DOC # 4927133 now in front of you. Pat is also on record for this property, both land and house, so certainly entitled to speak to this matter. These DOCs establish our CERTIFICATE OF ASSUMED NAME-NOTICE OF TRANSFER OF RESERVED NAME (*whereby we are each now HEAD Administrator*), Expatriations (*from incorporated WC jurisdictions*), Cancellation of all Prior Powers of Attorney, DNA Paramount Claims, MANDATORY NOTICE: Foreign Sovereign Immunities Act... Ntc of LIABILITY..., Revocation of Election to Pay Federal Income Taxes to IRS Commissioner, and Witness Testimonies to our "living" status by others, etc. Notice of these Declarations was also lawfully served via certified or Registered US MAIL and or personal service via agents to: WC DA Christopher Hicks, Clerk of the Court, Jacqueline Bryant, Sheriff Darin Balaam & Assoc., Offices of the Nevada: Atty General, and

Secretary of State, and Washoe County Manager, Eric Brown; plus Offices of the US Attorney General, US Dept of Justice and Michael Pompeo, Secretary of State in Washington DC. -----

Mr. Donald Trump & Team are aware of and have vetted the records, claims and efforts of **Our Actual Sovereign Government** and appear to be working on the people's behalf in many ways we are pleased with, even heeding some given directives; much is going on behind the scenes many are unaware of which we are assisting with bringing to people's attention today and otherwise.

It is [one] *never our intent to "argue"* as Chad has mistakenly stated. Rather, we make claims and give Notices, and , if not timely rebutted with specificity, same stand as Truth, Fact and Evidence, establishing the Law in the case. Neither are we "residents" nor is our property in any presumed "residential zone", again, outside & beyond WC & WCC jurisdictions. We take exception and object to Chad's allegation that we have "recorded scores of *fake or unauthenticated* documents at the Recorder's office to support their argument". -----

Again, we do not intend "argument", we instead make claims and give Notices, and , *if not timely rebutted with specificity*, same lawfully stand as Truth, Fact and Evidence, establishing the Law in the case. Our Public Records pertinent to this matter are indeed all authenticated per Recorder guidelines, even witness testimonies of our truth, status, and standing, accomplishing expatriation from the corporate territorial and MUNICIPAL jurisdictions for both ourselves and our land; timely un-rebutted, thus making the Law of the case upon which Trespasses are chargeable offenses by County actors that can be pursued. Additionally, we have no "fabricated home" or "mobile home" either, but rather our private personal property house upon the patented land that we intend to repair & refurbish for living use, once this harassment is mitigated and Provision is received for same. Our numerous Notices of Intent on the record in this matter should indeed be acceptable in lieu of "permits", which we claim *compromise* our established status & standing & our land patent.

We also take exception and object to Chad's misrepresentation of Elizabeth's 1/15/2020 ORDER: her ORDER did **not state** "remove", but rather "move", and said nothing about "final inspections" whatsoever. What is the loss of use of our house worth to us on our own land? Trespass upon our property (rights) and American State National foreign sovereign status proved on the record? Perhaps priceless, certainly Millions if monetization is pursued for same.

Final objections to Chad's report, which he did an excellent and thorough job on we commend: On page 9 at very end, the only "Property Owner" mentioned is William Anthony, omitting Patricia totally, which is not acceptable; nor is the address location. We live in our bodies, "care of 3705 Anthony Place, Sun Valley, Nevada" (spelled out), with no ZIP code. "NV" is not even a cognizable word, but rather a federal zone we are exempt from as foreign Nationals. Our mail is delivered just fine absent the ZIP code and we have noticed you about this before, more than once, and see this as an attempt to keep us in your alleged jurisdiction(s). No contract or consent!

[1,2,4] Another DOC missing from Chad's record, but can be verified included in WCR DOC # 4976305, along with Receipt copy on back, is Attachment E last page, referred to in Attachment D just prior on each of the 2 Declarations of Publication By Record Clerks for Public Notices, required to establish Law, which we have in deed done. Attachment E, now in front of you refers to "... Extension Q – Witness Testimony in the Form of An **Affidavit of Truth and Probable Cause, Irrevocable Will...**", from which you now have copies of those pertinent pages also; these come from our fiduciary and head of state's book, used by permission from which we Claim patents and land titles, among much else, have been claimed, ours specifically conveyed "... to Nevada, a State of the Union, and to me, the Powerholder enforcing the State Trust. All Deeds issued [previously] ... are vacated and re-conveyed to the original jurisdiction of Nevada, free and clear of debt, as a Freehold upon the land and soil of Nevada....".

The final doc pkg missing from Chad's record we wish to be on the record here 2day for consideration was served via Certified Mail 2.25.20 via office of the county manager, received 3.2 via agent Cecilia, also faxed twice to Chad's office to 2 separate #s as 1st fax could not be located easily by Hannah, when we called to verify its receipt; it contains our red hand-inscribed timely notice response to another copy of 1.15 ORDER given to us after we filed for this BoA Appeal @ Code Compliance/ Planning office 2.4.20 again noticing Bill's **HEAD Administrator** office, + our **Powerholder** offices, with Summary of True Bills with some 2nd, 3rd Final Notices of same, completing our lawful notice administrative process on those True Bills. As of 2.25 when we executed that doc pkg. we had not heard the date for BOA meeting; not receiving the 2/28 postmarked pkg. until Sat. 2/29; Brian Farmer did call Thurs. am 2.27 to verbally inform us of original 3/5

meeting date, which we appreciate, though do not consider timely for optimal preparation for us for scheduled 3/5 hearing . -----

[2,4,5] Administrative Hearing Officer Elizabeth in her position, inappropriately challenged the validity of our NOTICE OF, CERTIFICATE OF ACCEPTANCE AND DECLARATION OF LAND PATENT, and ignored our challenge to WCC & WC alleged jurisdiction over us & our patented land. We timely lawfully *refused her ORDER for Cause*, with other specific notices red hand-inscribed thereupon, returned to WC Manager & Code Enforcement, which we are further bringing before you as *civilian Nevadans, not corporate employees*, which Elizabeth and WC Code Enforcement agents are; some may consider "in bed together". When I asked near end of 1/15/20 Hearing: Are you or anyone here a land patent expert? Was seemingly ignored and given no answer, rather interrupted with a ruling against us, to which we objected and timely "*Refused for cause*". We also wanted "lawful reasons for findings specified in writing", which were not provided by her or otherwise; NRS & WC Code are *not Public Law*, applying only to *statutory* entities and persons who volunteer to be subject to same, which we do NOT. Please remember "consent of the governed" is necessary from we the people, and has been consistently denied in this matter!

Further speaking to Elizabeth's allegations that our process was lacking some necessary components for perfecting land patent, we offer public notice on the record of all necessary components from our Fiduciary and Head of State, supported by Living Law Firm and the People, especially declared American State Nationals peacefully, lawfully organizing our State Assemblies to restore the people's government: {Issues of Sovereignty- 6 excerpts}

Based on Elizabeth's refused ORDER and comments, which were indeed out of order in her position 1/15/20 as Hearing Officer, we chose to consult with a true expert and Counselor at Law, Ron Gibson, author of 2 books; With his permission, we give you excerpted pages from them and our oral testimony therefrom for the record, very pertinent in this and many other matters for the highest good of the people, as each may so choose. When we personally met with Ron 2.26.2020, upon his in person review of our process and documents, especially with addition of page 1 of WCR DDC # 4976305, he affirmed all was in deed in order and perfected now regarding our accepted, declared, noticed, recorded, published & *established lawful claim* of Land Patent upon **3705 More Park Place**, in deed, notice and Law outside and beyond WC jurisdictions, *no longer* 3765 Moorpark Court as stated by WC agents in this matter. [Read from law and cases, Dec. of Independence, etc... ]

You have each been given a "Golden Ticket" invitation & Paul Revere Wake-Up to further check and verify our claims, with online source links for more info on what we've shared from the sources. { <http://annavonreitz.com/visitatgrandmashouse.pdf> } You can add in upper right corner above IRS, "mortgage", as we now have means to lawfully perform *Mutual Offset Credit Exemption Exchange* process to satisfy same. ☺

In summation, We claim Elizabeth's 1/15/20 ORDER is contrary to the constitution, and established law of the case, is in error of law, and substantive evidence on the whole record shows same exceeds the jurisdiction and alleged authority of WC and her in this matter. Additionally, one might consider 1/15/20 ORDER arbitrary, capricious or characterized by abuse of discretion. From the beginning of this matter, We have **challenged the alleged jurisdiction of WC & their Code** consistently from WC's 1<sup>st</sup> notice and WC's jurisdiction has still not been proved on the record; *contrarily* we have established and proved **lack of jurisdiction** of both incorporated WC entities, territorial and MUNICIPAL, thus **warranting reversal** in this matter per your Board directives F (iii) A through F. Thank you for honoring the will and Lawful Rights of the people in this matter.

Most Sincerely, Pat & Bill Anthony c/o 3705 Anthony Place, Sun Valley, Nevada Non-Domestic 673-1642

**Issues of Sovereignty [pertinent Excerpts] – by James Belcher: ... When any President of the United States looks up and sees whose seal he is sailing under, he has cause to know better than to claim that I am his citizen. Very clearly, he is my citizen under international law and every word I say to him or to the British Monarch concerning their operations on this continent has the force of law and sovereign power. I here record my Sovereign Mandate regarding all these false commercial claims advanced by the United States against the American states and people via a secretive and non-consensual process..... The Sovereign Letters Patent and Declaration of Joint Sovereignty with the Native American nations issued in November 2016 stand alone and together as a reclamation of the land in my capacity as a free sovereign American and Son of the Revolution. They also stand as remedy for grievous errors made by administrators of the United States, extended in my capacity as a free sovereign of Britain having authority apart from and above the Queen, and as the lawful owner of the Great Seal of the United States. My sovereign claim to own and control the United States outranks that of any British Monarch and predates any such claim by over two hundred years... Members of the Bar Associations are to be considered undeclared Foreign Agents and their activities plundering penal bonds and individual public trusts are to be audited, corrected, and enforced as crimes...**

**All property and titles to property rightfully belonging to Americans including the copyrights and trademarks associated with the given names is to be returned to them and the legal presumption of any form of United States citizenship pertaining to them is to be dropped from all their records including the census and in all cases at law. The repugnant practice of press-ganging Americans and suppressing their natural political status and the issuance of CUSIP Bonds in their names must cease and all indebtedness related to this practice and merely presumed to exist must be erased... Mr. Rothschild, ELIZABETH II, FRANCISCUS, and President Donald Trump are under Sovereign Decree to correct their operations with respect to the United States as outlined above, so as to provide lasting remedy to the American states and people for all the wrongs and the violence which has been perpetuated against them by their usurping servants and foreign powers acting in Breach of Trust. # 496 -----**

Dec 14, 2015 Letter to John Kerry, US Sec. of State & Ban Ki Moon, UN Sec General, Anna ... This is a matter of urgent importance. It concerns either **mistaken identity or identity theft**, depending upon each man's estimate of the situation... the "free sovereign and independent people of the United States" have been noncombatants and Protected Persons recognized and honored as such successively by the Lieber Code and most recently by the Geneva Convention Protocols of 1949... the words "state" "State" and "United States" were *formally redefined* to mean "District of Columbia Municipal Corporation" and the word "person" was redefined to mean "corporation"... politicians acting without delegated authority. The free sovereign and independent people of the United States were not even afforded the opportunity to exercise the protections of the Expatriation Act, because they were not informed of Roosevelt's action to arbitrarily change their political status to that of "inhabitants" and were equally not informed of the federal corporation's claim that they were "voluntarily" standing as sureties for its debts. Everyone on Earth will agree that it is impossible to object to a contract if you don't know the contract exists, and that is essentially the position that the "free sovereign and independent people of the United States" have been in as a result of criminal conspiracy on the part of our employees.

As of 1998, we objected to these processes and claims – including any claim altering our birthright political status. The Internal Revenue Service and many other agencies were given Notice at this time and in years thereafter. As of 2011, the UNITED STATES, INC. and its STATE OF STATE

franchises were shown to be in administrative and commercial default. As of 2015, the free sovereign and independent people of the United States have been forced to issue a new **Declaration of Joint Sovereignty and new Sovereign Letters Patent** in behalf of the "free sovereign and independent people of the United States", their states defined by geographic boundaries, their living citizens, and their assets and have joined with the Native American nations to assert their claim to the land jurisdiction of the United States owed to us free and clear... The free sovereign and independent people of the United States are in fact the Priority Creditors of the so-called National Debt and the employers and benefactors of those who have promulgated this criminal abuse of our trust... past time for these outrages to end... <http://annavonreitz.com/lettertokerry.pdf>

<http://annavonreitz.com/situationreport.pdf> # 742 ... 1. The government of this country is vested in its people. "People" means "militia" in Hebrew. There is no doubt that the Founders meant for the government to be created and controlled by the same militia men who defended the country then and who defend it now. 2. The actual government is an unincorporated business known as a Body Politic. 3. The name given to this Body Politic on September 9, 1776, was: The United States of America. 4. This is a totally unique unincorporated entity and we hold its **Declaration of Independence and its Letters Patent and its sacred name under Common Law Copyright in perpetuity...** 6. Thus, when you look at this country, what you are actually seeing are fifty smaller countries, each with their own history, their own geographic boundaries, and their own natural government. In America the words "state" and "nation" are interchangeable... ... 30. In April 2014, we issued Final Judgment of Breach of Trust and Violation of Commercial Contract. We gave international Notice and Due Process to all Principal Parties and many, many agents and agencies. 31. On November 4, 2015, we issued new **Sovereign Letters Patent, and on November 6, 2015, inclusive Sovereign Letters Patent and a Joint Declaration of Sovereignty** together with the American Athabascan and Lakota Sioux Nations. By so doing we preserved our actual Constitution and chose new "federal" partners indigenous to this country. This was again given full Due Process and international Notice. 32. We solicited and processed claimants from all fifty land jurisdiction states competent to inherit the land as heirs and as representatives of the people, jural assembly members, and members of their respective state militias going back before the so-called Civil War and most before the War of Independence. These Americans also signed paperwork making their political status explicit and placed it on the public record, so that there can be no doubt that all fifty land jurisdiction states are occupied and possessed by lawful heirs... ... 56. By posting the Private Registered Indemnity Bonds covering all the actual states and people and by posting the Payment Bond redeeming all the Names and NAMES of these vessels, we have completed everything necessary to reclaim and release the assets, set aside the debts, and restore lawful government to the entire world. 57. We have also rebutted all claims that we voluntarily abandoned, declaimed, or traded away our birthrights for petty considerations. The governments of the world for the past 150 years have been run as crime syndicates with all the terrible results that we now see, but we have the opportunity as the Priority Creditors and Paramount Security Interest Holders to put an end to the evil that has been and give birth to the good that can be. Please share this information far and wide and let it be passed on and passed out and understood by everyone in every corner and nation. <http://annavonreitz.com/whoownswhat.pdf> #952 The People own the Republics, the Republics own the States, and the States own all the various "States of States" ----National, Territorial, and Municipal... The United States of America (Unincorporated) delegated certain enumerated powers in the international jurisdiction of the sea to three subordinate organizations --- National, Territorial, and Municipal -- via three constitutional agreements. In the event that the delegated powers cannot be exercised properly by those entrusted to exercise them, they revert back to the Donor/Grantor of those enumerated powers --- The United States of America (Unincorporated)... Now both the Territorial United States and its States of States and the Municipal United States and its STATES OF STATES are *bankrupt and in receivership*. All three levels of government exercising the delegated powers are incompetent, so all powers they held revert back to The United States of America (Unincorporated), which retained all un-delegated powers from the start... has taken the necessary steps to reclaim the National, Territorial, and Municipal Assets and acknowledged, accepted, and re-conveyed the delegated powers. It has renewed and re-issued its Sovereign Letters Patent and preserved the constitutional system... has summoned the actual land jurisdiction States of the Union Federation to assemble and they are doing so. [it] remains as the only internationally competent government representing this country and its people... we discovered that our delegated powers have been abused by the Territorial and Municipal United States and that our copyrights have been infringed, and that our Patent and Trademark Office has been abused without our knowledge or consent... ... we are the de facto owners and record title holders of most of the governments and commercial corporations on Earth. It was the intent of the perpetrators to run up insurmountable debts against us and our assets, seek bankruptcy protection for themselves, and leave us holding the bag. They also counted on us to remain asleep and acquiesce to their false claims of abandonment of our assets. This country and many other countries around the world have suffered the equivalent of identity theft and credit fraud --- & still the central banks and international trustees responsible are trying to avoid the necessity of correction. ... We are not being unreasonable or unkind or seeking any unjust enrichment; by the same token, we are resolved not to bear any Odious Debts, *false title claims*, or further Breach of Trust. We require what is ours returned to this country, together with all remedy & restitution rightfully and naturally owed to our States & People.

**First Instruction Letter:** 2017 – 2015 – Americans who have become aware of the fraud return to the land jurisdiction of their birth. The unincorporated government of the actual states and people doing business as The United States of America revives itself. The new government issues new Sovereign Letters Patent for the states (November 4) and for the Indian Nations (November 6) and also issues an Express Trust --- The Declaration of Joint Sovereignty. 2017 – After extensive Due Process given to all the Principal Parties responsible, the liens against all the Municipal and Territorial government corporations and their franchises are completed and cured, ... the Creditors. We are. We are the lawful owners of all that several generations of dishonest employees and middlemen have amassed--- and which they have hoped to claim as abandoned property. *The success of this scheme would have ended private property rights worldwide...* We also require a public accounting to be conducted throughout all sectors of the government that has been provided by the bankrupt governmental services corporations (state of, county of, and municipal entities) and their hired subcontracting agencies, beginning with the most recent Annual Financial Reports (APRs) of agencies and departments and public trusts in each state, the most recent Comprehensive Annual Financial Reports (CAFRs) of the State of State organizations. Our credit may be accessed to pay for these services leading to an accurate public accounting for the first time since 1946. -----

They are guaranteed a "republican form of government". Together, they formed - a Union, a Federation, and a Confederation:

The take-home message to you as an American is that you are most likely in the right church, but in the wrong pew. You have, most likely, been mis-identified as a Federal Citizen and not counted as an American State National or American State Citizen. Federal Citizenship is created by the Constitution(s) and therefore, Federal Citizens are not Parties to the Constitutions and have no constitutional guarantees --- only "Equal Civil Rights", that can be suspended. If you want to claim your "Natural and Unalienable" rights and property, you have to declare and record your political status as an American State National or American State Citizen (that is, a Member of your State Assembly) and *personally and lawfully* participate in your State Assembly. The additional message is that a large portion of your government has been "missing in action" and awaiting "Reconstruction" since the Civil War. This work can only be accomplished by properly organized State Assemblies populated by American State Citizens. Go to [www.TheAmericanStatesAssembly.net](http://www.TheAmericanStatesAssembly.net) and learn how you can restore your government.

re: currently registered voter(s) PATRICIA L. S. ANTHONY/ PATRICIA L. ANTHONY, or other similar NAMES c/o 3705 Anthony Place, Sun Valley Nevada

Hello Luanne,

Please consider this my request and order to withdraw and rescind any and all applications and enrollments as a "registered voter" upon Washoe County, Nevada. I no longer have any natural interest in the elections of a foreign corporation that I do not work for, nor does it appear to be working very well for me either.

I no longer choose to be held subject to the whims of a foreign entity that is supposed to be providing me with Good Faith Service, but seems to me to have failed both myself and the American people miserably.

Thank you very much for your prompt response and your continued service to the people, the beneficiaries of the constitutions.

Most sincerely and reserving all rights,

by Patricia... Anthony

104: We say that our only true duty is to nurture our planet and the animals and the rest of mankind. As it was when Genesis was written it remains to this day. *This is important as it attaches our claim and our will to the most ancient source of all law of the land, the Torah, and clearly shows the intrinsic criminality of all those who destroy our peace and our planet;*

107: We say that we are setting the history of this massive fraud scheme all verified as true upon the public records and placing this\*Affidavit of Truth and Probable Cause before you now and all those law enforcement officers who are drawing their pay throughout the world while allowing all this fraud, usury, violence, peonage, enslavement and piracy to go on and on and on. *This is important because although we have given some fair notice of this criminality before they are now receiving notice from the American people served up in front of the whole world;*

B. We are requesting Permanent Protective Injunctions against requested Writ(s) of Restitution from unlawful bank foreclosures as herein described. We act in the Public Interest and in behalf of ourselves and the Nevada State and all those living people naturally inhabiting and belonging to the land jurisdiction of the Continental United States;

C. We claim all assets of the Continental United States, all trust, utilities, copyrights, patents, franchises, subdivisions, municipalities, land and assets of the land held in trust, insurances, inheritances, stocks, bonds, securities, mortgages, titles, and profit derived from the assets of the continental United States and from our own assets including our labor, and we Will a just and proportionate like -interest to all those who have been born on the land of the Continental United States and who are owed both their private and public property interests returned and set free and clear of fraudulent debts, claims, and conveyances, including all deeds and titles to lands and land assets held under color of law by corporate franchises operating deceptively as States of States and under the given names of living people, release of all mortgages and other dubious maritime contracts and salvage liens tainted by fraud, return of all Promissory Notes obtained under conditions of non-disclosure and semantic deceit, and settlement of all debts held against us, our 50 geographically defined states, and the land jurisdiction and assets of the Continental United States in favor of (1) the living inhabitants and our own private estates and all similar estates of living people inhabiting the land jurisdiction of the Several States on the land; (2) the Nevada State and similar States geographically described and having actual substance; and (3) the Continental United States as a whole;

We solemnly affirm that this\*affidavit is true and confirmed by abundant public records and corroborating testimony beyond reasonable doubt and we present it for the Good of Mankind and in the Public Interest and for the recoument of property and controlling interests rightfully owed to us and our countrymen by the Federal United States and the colluding international banking cartels and the governmental services corporations and municipal corporate franchises that have violated our trust and their contracts.

We act as living beings naturally belonging to the land jurisdiction of the Continental United States and acting thereon without any privilege of incorporation and desirous of none, under penalty of perjury should we be found to have knowingly erred or purposefully obfuscated any fact herein presented. Here are our autographs and our seal presented by the flesh and in the flesh and in our own right without the Federal United States, without any corporate office, without

representation of any kind, being Witnessed by these other living souls who are also present in the flesh and standing upon the land jurisdiction of the Continental United States and whose autographs similarly appear as Witnesses before the courts of the world addressed and summoned and before 7 billion people worldwide -- all of whom have been harmed in some respect by those who have committed these crimes and perpetrated these acts of fraud:

\* The take-home message to you as an American is that you are most likely in the right church, but in the wrong pew. You have, most likely, been mis-identified as a Federal Citizen and not counted as an American State National or American State Citizen. Federal Citizenship is created by the Constitution(s) and therefore, Federal Citizens are not Partes to the Constitutions and have no constitutional guarantees -- only "Equal Civil Rights" that can be suspended. If you want to claim your "Natural and Unalienable" rights and property, you have to declare and record your political status as an American State National or American State Citizen (that is, a Member of your State Assembly) and "PRACTICALLY AND LAWFULLY participate in your State Assembly". The additional message is that a large portion of your government has been "missing in action" and awaiting "Reconstruction" since the Civil War. This work can only be accomplished by properly organized State Assemblies populated by American State Citizens. Go to www.TheAmericanStatesAssembly.net and learn how you can restore your government.

Issues of Sovereignty – by James Belcher: ... When any President of the United States looks up and sees whose seal he is sailing under, he has cause to know better than to claim that I am his citizen. Very clearly, he is my citizen **under international law and every word I say to him or to the British Monarch concerning their operations on this continent has the force of law and sovereign power. I here record my Sovereign Mandate** regarding all these false commercial claims advanced by the United States against the American states and people via a secretive and non-consensual process..... **The Sovereign Letters Patent and Declaration of Joint Sovereignty with the Native American nations issued in November 2016 stand alone and together as a reclamation of the land** in my capacity as a free sovereign American and Son of the Revolution. They also stand as remedy for grievous errors made by administrators of the United States, extended in my capacity as a free sovereign of Britain having authority apart from and above the Queen, and as the lawful owner of the Great Seal of the United States. My sovereign claim to own and control the United States outranks that of any British Monarch and predates any such claim by over two hundred years... Members of the Bar Associations are to be considered undeclared Foreign Agents and their activities plundering penal bonds and individual public trusts are to be audited, corrected, and enforced as crimes... **All property and titles to property rightfully belonging to Americans including the copyrights and trademarks associated with the given names is to be returned to them** and the legal presumption of any form of United States citizenship pertaining to them is to be dropped from all their records including the census and in all cases at law. The repugnant practice of press-ganging Americans and suppressing their natural political status and the issuance of CUSIP Bonds in their names must cease and all indebtedness related to this practice and merely presumed to exist must be erased... Mr. Rothschild, ELIZABETH II, FRANCISCUS, and President Donald Trump are **under Sovereign Decree to correct their operations** with respect to the United States as outlined above, so as to **provide lasting remedy to the American states and people** for all the wrongs and the violence which has been perpetuated against them by their usurping servants and foreign powers acting in Breach of Trust. 4\_\_ <http://annavonreitz.com/issuesofsovereignty.pdf>

Dec 14,2015 Letter to John Kerry, US Sec. of State & Ban Ki Moon, UN Sec General, Anna ... This is a matter of urgent importance. It concerns either **mistaken identity or identity theft**, depending upon each man's estimate of the situation... the "free sovereign and independent people of the United States" have been noncombatants and Protected Persons recognized and honored as such successively by the Lieber Code and most recently by the Geneva Convention Protocols of 1949... the words "state" "State" and "United States" were *formally redefined* to mean "District of Columbia Municipal Corporation" and the word "**person**" was **redefined to mean "corporation"**... politicians acting without delegated authority. The free sovereign and independent people of the United States were not even afforded the opportunity to exercise the protections of the Expatriation Act, because they were not informed of Roosevelt's action to arbitrarily change their political status to that of "inhabitants" and were equally not informed of the federal corporation's claim that they were "voluntarily" standing as sureties for its debts. Everyone on Earth will agree that it is impossible to object to a contract if you don't know the contract exists, and that is essentially the position that the "free sovereign and independent people of the United States" have been in as a result of criminal conspiracy on the part of our employees. As of 1998, we objected to these processes and claims – including any claim altering our birthright political status. The Internal Revenue Service and many other agencies were given

Notice at this time and in years thereafter. As of 2011, the UNITED STATES, INC. and its STATE OF STATE franchises were shown to be in administrative and commercial default. As of 2015, the free sovereign and independent people of the United States have been forced to **issue a new Declaration of Joint Sovereignty and new Sovereign Letters Patent** in behalf of the "free sovereign and independent people of the United States", their states defined by geographic boundaries, their living citizens, and their assets and have joined with the Native American nations to assert **their claim to the land jurisdiction of the United States owed to us free and clear...** The free sovereign and independent people of the United States are in fact the Priority Creditors of the so-called National Debt and the employers and benefactors of those who have promulgated this criminal abuse of our trust... past time for these outrages to end... <http://annavonreitz.com/lettertokerry.pdf>

<http://annavonreitz.com/situationreport.pdf> 742 ... 1. The government of this country is vested in its people. "People" means "militia" in Hebrew. There is no doubt that the Founders meant for the government to be created and controlled by the same militia men who defended the country then and who defend it now. 2. The actual government is an unincorporated business known as a Body Politic. 3. The name given to this Body Politic on September 9, 1776, was: The United States of America. 4. This is a totally unique unincorporated entity **and we hold its Declaration of Independence and its Letters Patent and its sacred name under Common Law Copyright in perpetuity...** 6. Thus, when you look at this country, what you are actually seeing are fifty smaller countries, each with their own history, their own geographic boundaries, and their own natural government. In America the words "state" and "nation" are interchangeable... ... 30. In April 2014, we issued Final Judgment of Breach of Trust and Violation of Commercial Contract. We gave international Notice and Due Process to all Principal Parties and many, many agents and agencies. 31. On November 4, 2015, we **issued new Sovereign Letters Patent, and on November 6, 2015, Inclusive Sovereign Letters Patent and a Joint Declaration of Sovereignty** together with the American Athabascan and Lakota Sioux Nations. By so doing we preserved our actual Constitution and chose new "federal" partners indigenous to this country. This was again given full Due Process and international Notice. 32. We solicited and processed claimants from all fifty land jurisdiction states competent to inherit the land as heirs and as representatives of the people, jural assembly members, and members of their respective state militias going back before the so-called Civil War and most before the War of Independence. These Americans also signed paperwork making their political status explicit and placed it on the public record, so that there can be no doubt that all fifty land jurisdiction states are occupied and possessed by lawful heirs... ... 56. By posting the Private Registered Indemnity Bonds covering all the actual states and people and by posting the Payment Bond redeeming all the Names and NAMES of these vessels, we have completed everything necessary to reclaim and release the assets, set aside the debts, and restore lawful government to the entire world. 57. We have also rebutted all claims that we voluntarily abandoned, declaimed, or traded away our birthrights for petty considerations. The governments of the world for the past 150 years have been run as crime syndicates with all the terrible results that we now see, but we have the opportunity as the Priority Creditors and Paramount Security Interest Holders to put an end to the evil that has been and give birth to the good that can be. Please share this information far and wide and let it be passed on and passed out and understood by everyone in every corner and nation. <http://annavonreitz.com/whoownswhat.pdf> 952 The People own the Republics, the Republics own the States, and the States own all the various "States of States" ----National, Territorial, and Municipal... The United States of America (Unincorporated) delegated certain enumerated powers in the international jurisdiction of the sea to three subordinate organizations --- National, Territorial, and Municipal -- via three constitutional agreements. In the event that the delegated powers cannot be exercised properly by those entrusted to exercise them, they revert back to the Donor/Grantor of those enumerated powers --- The United States of America (Unincorporated)... Now both the Territorial United States and its States of States and the Municipal United States and its STATES OF STATES are *bankrupt and in receivership*. All three levels of government exercising the delegated powers are incompetent, so all powers they held revert back to The United States of America (Unincorporated), which retained all un-delegated powers from the start... has taken the necessary steps to reclaim the National, Territorial, and Municipal Assets and acknowledged, accepted, and re-conveyed the delegated powers. It has **renewed and re-issued its Sovereign Letters Patent and preserved the constitutional system**... has summoned the actual land jurisdiction States of the Union Federation to assemble and they are doing so. [it] remains as the only internationally competent government representing this country and its people... we discovered that our delegated powers have been abused by the Territorial and Municipal United States and that our copyrights have been infringed, and that our Patent and Trademark Office has been abused without our knowledge or consent... ... we are the de facto owners and record title holders of most of the governments and commercial corporations on Earth. It was the intent of the perpetrators to run up insurmountable debts against us and our assets, seek bankruptcy protection for themselves, and leave us holding the bag. They also counted on us to remain asleep and acquiesce to their false claims of abandonment of our assets. This country and many other countries around the world have suffered the equivalent of identity theft and credit fraud --- and still the central banks and international trustees responsible are trying to avoid the necessity of correction. ... We are not being unreasonable or unkind or seeking any unjust enrichment; by the same token, we are resolved not to bear any *Odious Debts, false title claims*, or further Breach of Trust. We require what is ours returned to this country, together with all remedy and restitution rightfully and naturally owed to our States and People. -----

**First Instruction Letter:** 2017 ... 2015 – Americans who have become aware of the fraud return to the land jurisdiction of their birth. The unincorporated government of the actual states and people doing business as The United States of America revives itself. The **new government issues new Sovereign Letters Patent for the states (November 4) and for the Indian Nations (November 6) and also issues an Express Trust --- The Declaration of Joint Sovereignty.** 2017 – After extensive Due Process given to all the Principal Parties responsible, the liens against all the Municipal and Territorial government corporations and their franchises are completed and cured, ... the Creditors. We are. We are the lawful owners of all that several generations of dishonest employees and middlemen have amassed--- and which they have hoped to claim as abandoned property. *The success of this scheme would have ended*

*private property rights* worldwide... We also require a public accounting to be conducted throughout all sectors of the government that has been provided by the bankrupt governmental services corporations (state of, county of, and municipal entities) and their hired subcontracting agencies, beginning with the most recent Annual Financial Reports (APRs) of agencies and departments and public trusts in each state, the most recent Comprehensive Annual Financial Reports (CAFRs) of the State of State organizations. Our credit may be accessed to pay for these services leading to an accurate public accounting for the first time since 1946.

**LAND PATENTS**

**U. S. Land Patents are the SUPREME LAW of the LAND

I want to give some constitutional back ground regarding land patents, which are actually called "letters patent". This is found in our U.S. Constitutional land disposal section, **Article 4, Sec. 3, Clause 2.** Letters patent, is the means by which our founding fathers choose as the vehicle to pass land held in trust by the united states government into private ownership. This means of conveyance is called "letters patent", every patent issued by the General land office and all state patents issued from the very beginning are "**Allodial Title.**" ("**owing to no one**")

Another fact of law is, that letters patent comes by way of treaties between nations. To devalue or destroy the land patents, one would have to alter or destroy the treaty! No state or county can alter or destroy any treaty.

**American juris prudence, Corpus Juris Secundum Vol.72B, Public Lands sections 235- 261, pages (197-218) states "Neither party can change anything on the patent/grant contract, either added to or detracted from , once the contract is executed."**

As an Assignee, whether he is first, second or third party etc. to whom title is conveyed, shall lose none of the original rights. **U.S. Constitution Article 1 Sec. 10, Clause 1, No state shall legislate a bill of attainder, nor pass any ex post facto law, nor a law impairing the obligation of contract! Any city, county, state that imposes a tax on private property is guilty of all three protective covenants listed above! There are many more protective covenants than listed here.**

In every letters patent it is stated that "**to their heirs and assigns forever**", this means that a letters patent is what is called in law, a prima fascia evidence document, "**it says what it says and it means what it says**". That being the case that the letters patent is forever, forever is not up yet! In other words what was stated at the time of issue of the letters patent is still valid today!

The main purpose of the U.S. Constitution is to LIMIT the power of the state and federal government and to protect individual rights and property. While Congress and the Courts have unacceptably expanded that authority, the Constitution spells out specifically the proper role of government. It is up to "**We the people**" to oversee that our government, both state and national stays within constitutional boundaries.

The STATE OF <sup>NEVADA</sup> OREGON still has a constitution that states that public servants are required by law to protect rights and property, for all who live in this state, of which county departments have failed to do! This is called "**breach of fiduciary duty**".

## ACTS OF CONGRESS

In accord with specific Acts of Congress, and under the hand and seal of the President of the United States of America, the General Land Office issued more than 6 million land grants made patent (land patents) passing the title of specific parcels of public land from the nation to private parties, etc. Some such land so granted had survey costs, etc. that had to be paid and the grantee paid those fees for their land in cash, others homesteaded a claim, and still others came into ownership via one of the many Donation Acts that Congress passed to transfer public lands to private ownership.

49

## POWER OF THE PATENT

Public personal from the city, county, state and even the courts will say that we don't recognize land patents any more, that's old stuff, let's look at what federal law says about land patents, **Title 43 USC, Sec. 57 & 83, Section 57. Establishes that duly certified copies of Federal Land Patents shall be evidence in all cases where the originals would be evidence. Section 83 of Title 43, covers the evidentiary effect of Certified Federal Land Patents for all States and all the Courts in the United States must take Judicial notice of the Federal Patents and their evidentiary effect under these Federal Statutes. All judges in all States shall be bound as to the power and validity of the patent.**

U.S. v. Debell ( CA8 SD) 227 F 760. 1915

"An agency of government is not the government, a department or an officer of it." **U. S. ex rel Salzman v. Salzman & Salant, D.C., N. Y., 41 F Supp. 196, 197.**

The state's "creatures" are "corporations", which term also extends to individuals in a corporate capacity. This subject is thoroughly defined by the U. S. Supreme Court in the case of **Hale v. Henkel, 201 U.S. 43.** It is recommended reading for all persons whether in government or private.

Ordinances are not law, they are corporate by-laws regulating those within the corporate jurisdiction. Bouvier's 1914 legal dictionary.

**Over 180 years of unanimous U.S. Supreme Court cases speak for themselves that land patents are valid:**

**WRIGHT v. MATTISON 18 HOW (1856) (9-0):** The courts have concurred, it is believed, without an exception, in defining "color of title" to be that which in appearance is title, but which in reality is no title. Yet a claim asserted under the provisions of such a deed is strictly acclaim under color of title, hence, color of title, even under a void and worthless deed, has always been received as evidence that the person in possession claims adversely to the entire world. Color of title may be made through conveyances, or bonds, or contracts, or bare possession under parol agreements. We can entertain no doubt in this case that the auditor's deed to the purchaser at the tax sale is color of title in Woodward, in the true intent and meaning of the Statute, and without regard to its intrinsic worth as a title.

**STONE v. UNITED STATES 69 U.S. (1865) (10-0):** A patent is the highest evidence of title, and is conclusive as against the government, and all claiming under junior patents or titles, until it is set aside or annulled by some judicial tribunal. The patent is but evidence of a grant, and the officer who issues it acts magisterially and not judicially.

**SANFORD v. SANFORD 139 U.S. (1891) (9-0):** In *ejectment*, the question always is who has the legal title for the demanded premises, *not who ought to have it*. In such cases the patent of the government issued upon the direction of the land department is *unassailable*. A Court of equity has jurisdiction in such a case to compel the transfer to the plaintiff of property which, but for such fraud and misrepresentation, would have been awarded to him, and of which he was thereby *wrongfully deprived*.

**TITLE** — The formal right of ownership of property. Title is the means whereby the owner of lands has the just possession of his property. \*

The right of Land ownership comes from the **Bible, Genesis; Chapter, 28: v. 13,14,15, Genesis 47** and other references in the Bible as well.

A land patent is known in law as "Letters patent", and usually issues to the original grantee and to their heirs and assigns forever. The patent stands as evidence of the supreme title to the land, because it secures that all evidence of title existent before its issue date was reviewed by the sovereign authority under which it was sealed and was so sealed as irrefutable; thus, in law the land patent itself so becomes the title to the land defined within its four corners.

The following is referenced from the **COMMISSIONER OF GENERAL LAND OFFICE BOOK, page, 28, 29, (1870)**

*Quote, "The individual title derived from the Government involves the entire transfer of the ownership of the soil and water." It is purely ALLODIAL: "With all the incidents pertaining to that title as substantial as in the infancy of Teutonic civilization. Following in the wake of this fundamental reform in our State land laws are several others which constitute appropriate corollary."*

*"The statute of uses was never adopted in the public-land States, and hence the complex distinction between uses and trust has never embarrassed our jurisprudence."*

# What Do Private Property Rights Mean?

In a "Fifth Amendment" treatise, by Washington State Supreme Court Justice Richard B. Sanders (12/10/97), he writes: "Our state, and most other states, define property in an extremely broad sense." That definition is as follows: "Property in a thing consists not merely in its ownership and possession, but in the unrestricted right of use, enjoyment, and disposal. Anything, which destroys any of the elements of property, to that extent, destroys the property itself. The substantial value of property lies in its use. If the right of use be denied, the value of the property is annihilated and ownership is rendered a barren right".

As a Founding Father, John Adams said: "The moment the idea is admitted into society that property is not as sacred as the law of God, and that there is not a force of law and public justice to protect it, anarchy and tyranny commence."

President Calvin Coolidge said: "Ultimately, property rights and personal rights are the same thing".

Rancher and Property Rights Activist Wayne Hage said: "If you don't own the rights and control property then you are property"!

## Private Property Rights mean:

1. The owner's exclusive authority to determine how his/her private property is used;

2. The owner's peaceful possession, control, and enjoyment of his/her legally granted, purchased, deeded private property;

5. That no local, city, county, state, or federal government has the authority to impose directives, ordinances, fees, or fines regarding aesthetic landscaping, color selections, tree and plant preservation, or open spaces on legally purchased/deeded private property; 46

7. That no local, city, county, state, or federal government shall implement a law or ordinance restricting the number of dwellings that may be placed on legally purchased/ deeded private property;

8. That no local, city, county, state, or federal government shall alter or impose zoning restrictions or regulations that will devalue or limit the ability to sell legally purchased/deeded private property;

can never impair the title so granted by any subsequent survey. She [United States] is no longer the owner.”: **HARRY CAGE v. C. P. DANKS, 13 La. Ann. 128**

"What is true of every member of the society, individually, is true of them all collectively; since the rights of the whole can be no more than the sum of the rights of the individuals.": **Thomas Jefferson to James Madison, 1789. ME 7:455, Papers 15:393**

"We hold these truths to be self-evident, that all men are created equal; that they are endowed by their Creator with inherent and inalienable rights; that among these, are life, liberty, and the pursuit of happiness; that to secure these rights, governments are instituted among men, ~~deriving their just powers from the consent of the governed;~~ ..."[And] "that whenever any form of government becomes destructive of these ends, it is the *right of the people* to alter or abolish it, and to institute new government, laying its foundation on such principles, and organizing its powers in such form, as to them shall seem most likely *to effect their safety and happiness.*" **Declaration of Independence** as originally written by **Thomas Jefferson, 1776. ME 1:29, Papers 1:315 [emphasis added]**

The Land Patent is permanent and cannot be changed by the government after its issuance. "Where the United States has parted with title by a patent legally issued, and upon surveys made by itself and approved by the proper department, the title so granted cannot be impaired by any subsequent survey made by the government for its own purposes.": **Cage v. Danks, 13 LA.ANN 128** *APNS 1*

In the history of this Country, no Land Patent has ever lost an appellate review in the courts. As a matter of fact, in **Summa Corp. v. California (466 U.S. 1984)**, the Supreme Court has ruled forever that the Land Patent would always win over any other form of title. In that case the land in question was tidewater land and California's claim was based on California's state constitutional right to all tidewater lands. The patent stood supreme even against California's Constitution.

Land cannot be taken for debt or taxes, but Real Estate can be taken.

Notice the net effect of these Enabling Acts in relation to state taxes and state statutes:

After exclusive jurisdiction over lands within a State have been ceded to the United States, private property located thereon is not subject to taxation by the State, nor can state statutes enacted subsequent to the transfer have any operation therein.

**Western Union Telegraph Co. v. Chiles, 214 U.S. 274;**

**Arlington Hotel v. Fant, 278 U.S. 439;**

**Pacific Coast Dairy v. Department of Agriculture, 318 U.**

**Summa Corp. v. California (466 U.S. 198)**, is one of the best cites describing how land patents work. In that 1980s case the court noted that they had ruled and ruled and ruled and they were not going to rule again, the Land Patent is supreme title to land. The case was one where Summa Corp. was granted the tidewater lands in the California Republic by treaty and therefore California went after a family's land, which land was secured under patent on an old Spanish Land Grant. The case doesn't talk much about land patents. It talks about the Guadeloupe Hidalgo Treaty. Imagine that, a land patent case that speaks mostly about the supremacy clause of the Constitution, which clause states that Treaties are supreme law.

The **people are the recognized source of all authority**, state or municipal, and to this authority it must come at last, whether immediately or by circuitous route.

**Barnes v. District of Columbia, 91 U.S. 540, 545 [23: 440, 441]. p 234.**

"The rights of the individual are not derived from governmental agencies, either municipal, state, or federal, or even from the Constitution. They exist inherently in every man, by endowment of the Creator, and are merely reaffirmed in/by the Constitution, and restricted only to the extent that they have been voluntarily surrendered by the citizenship to the agencies of government. The people's rights are not derived from the government, but the government's authority comes from the people. The Constitution but states again these *rights already existing*, and when legislative encroachment by the

nation, state, or municipality invade these original and permanent rights, it is the duty of the courts to so declare, and to afford the necessary relief. *City of*

### **The People are the Sovereign!**

People are supreme, not the state. *Waring vs. the Mayor of Savannah, 60 Georgia at 93.*

The people of the State do not yield their sovereignty to the agencies which serve them. The people, in delegating authority, do not give their public servants the right to decide what is good for the people to know and what is not good for them to know. The people insist on remaining informed so that they may retain control over the instruments they have created. (Added Stats. 1953, c. 1588, p.3270, sec. 1.)

patent! A superior title to a land patent does not exist in our laws.

No land can be taken from its owner by way of a tax sale, because it is a violation of the due process right, (No court judgment), it violates the intent of congress regarding letters patent, it violates **Article 1, Sec. 10, Clause 1, of the U.S.**

**Constitution, no state can legislate a bill of attainder, nor can a state pass a ex-post facto law, nor a law impairing the obligation of contract.** It violates Article 4, Sec. 3, Clause 2, it violates Article 6, Clause 2, it violates the intent of congress, it violates treaty law, but most of all it violates **GOD'S LAW!** The right to own land is an unalienable (GOD GIVEN) right as so stated eleven (11) times in the Bible.

When land title is transferred by patent, Title and rights of Bona Fide claim the purchaser will be protected. **United States v. Debell, 227, F 760 (C8 SD, 1915), United Sates v Beamon 242 F 876 (CA8 Colorado 1917)**

Land patents have numerous protective safeguards, (1) the Constitution, (2) the Supremacy Clause, (3) Article 1 Sec. 10, Clause 1, (4) Treaty Law, (5) Relation Back Doctrine, (6) Vested rights, (7) 5<sup>TH</sup> Amendment, (8) Over 180 years of U.S. Supreme Court cases, Not one single case has lost at the Supreme Court, **Sanford v Sanford 139 U.S., Stone v UNITED STATES 69 U.S., SUMMA CORP. v STATE OF CALIFORNIA EX REL LANDS COM'N 466 U.S., Sargeant v.
