_				
_				
	*Food mus	t be discarded w	ithin seven days.	

Date Marking Guidance Requirements:

- It is a Time/Temperature Controlled for Safety (TCS) food, which requires time and temperature control to limit the pathogen growth or toxin formation, and
- It is a ready-to-eat food that may be eaten without any additional preparation steps to make the food safe, and
- It is stored under refrigeration for more than 24 hours.
