It is recognized by the County, its employees and the Association that the County is charged by law with the duty and responsibility for providing services to the general public and that there is an obligation on each party for the continuous rendition and availability of such service. All employees shall perform loyal and efficient work and service, shall use their influence and best efforts to protect other properties of the County and its service to the public, and shall cooperate in promoting and advancing the welfare of the County and in preserving the continuity of its service to the public at all times.

It is the intent and purpose of the Agreement to assure sound and mutually beneficial working and economic relationships between the parties hereto, and to provide an orderly and peaceful means of resolving any misunderstanding or differences, which may arise. It is recognized by the County and the Association that each party has a mutual obligation for executing the provisions of this Agreement.

In consideration of these mutual covenants and agreements, the full agreement between the parties is set forth herein.

ARTICLE 2 - RECOGNITION

The terms and conditions of this Agreement shall apply to those Attorneys of the classes described below, regardless of membership in the Association, save and except those members of the District Attorney's office employed in the Civil Division.

Notwithstanding exclusion of Civil District Attorneys from the bargaining unit, the parties agree that effective with the July 1, 2010 Agreement, the Deputy District Attorneys within the Child Welfare Unit shall be included within the bargaining unit and have so provided in the following section.

(Added 7/1/10)

The County, subject to Chapter 288 of Nevada Revised Statutes, recognizes the Association as the exclusive bargaining agent for purposes of establishing wages, hours and other terms and conditions of employment for those employees in the Washoe County Public Attorney's Association bargaining unit comprised of the following classifications:

- Deputy District Attorney I
- Deputy District Attorney II
- Deputy District Attorney III
- Deputy District Attorney IV
- Civil Deputy District Attorneys I, II, III and IV-Child Welfare Unit

(Revised 7/1/22)

ARTICLE 3 - ESTABLISHMENT OF NEW POSITIONS

In the event that the County establishes a new position requiring a license to practice law in the State of Nevada, the Association will be notified in writing of the classification and salary grade, and whether the position is intended to be included in the bargaining unit.

(Revised 7/05/01)

ARTICLE 4 - STRIKES AND LOCKOUTS

A. The Association will not promote, sponsor or engage in, against the County, any strike, slow down, interruption of operation, stoppage of work, absence from work upon any pretext or excuse not founded in fact, or by other intentional interruption of County business, regardless of the reason for so doing.

B. The County will not lock out any employee during the term of this Agreement as a result of a labor dispute with the Association.

ARTICLE 5 - RIGHTS OF MANAGEMENT

Except as modified or abridged by this Agreement, the County has the right and is entitled to:

- (a) Direct its employees;
- (b) Hire, promote, classify, transfer, assign, retain, suspend, demote, discharge or take other disciplinary action against any employee;
- (c) Relieve any employee from duty because of lack of work or lack of funds;
- (d) Maintain the efficiency of its governmental operations;
- (e) Determine the quality and quantity of services to be offered to the public and the methods, means and personnel by which those services are to be offered;
- (f) Determine appropriate staffing levels and work performance standards, except for employee safety considerations;
- (g) Determine content of the workday, including without limitation, workload factors, except for employee safety considerations; and
- (h) Take whatever action may be necessary to carry out its responsibilities in situations of emergency.

ARTICLE 6 - RIGHTS OF THE ASSOCIATION

A. The County recognizes and agrees to deal with accredited employee representatives of the Association on all matters within the scope of negotiations as well as those covered by this agreement.

B. The selection of employee representatives, employee grievance representatives, employee negotiating team representatives and officers of the Association is the responsibility of the Association.

C. The Association shall provide the County with a list of accredited employee representatives and maintain its currency.

D. Release time for officers of the Association, employee representatives, employee grievance representatives, and employee negotiating team representatives shall be limited for the purpose of: (1) attending County functions/meetings, including negotiations (which term shall also encompass statutory impasse procedures), which have a direct impact upon the Association; or (2) attending in accordance with the provisions of Article 27, Grievance Procedure, to matters relating to grievance. Employee release time shall be without loss of compensation, seniority, or other benefits. For

negotiations with the County, no more than four (4) persons at the same time shall be granted release time.

1. Included within this release time procedure is the authorization for each member of the Association's negotiating committee and/or officers of the Association's Board to have a maximum of one (1) hour per week for meetings of the Association's negotiating committee and/or officers of the Association during weeks when the Association and the County are going to have one (1) negotiating session.

2. In the event that the County and the Association meet for negotiations more than one (1) time per week, then the above described release time limit will be increased by one (1) hour for each session in excess of one (1) session.

E. Release time requires the advance approval of the appointing authority or his/her designee. Approval of a request for release time under this article shall not be unreasonably withheld.

F. The parties agree the full cost of this leave for the duration of this Agreement has been paid for by the Association or offset by the value of concessions made by the Association as required by NRS 288.255.

(Added 7-01-19)

ARTICLE 7 - NONDISCRIMINATION

A. The County will not interfere with or discriminate with respect to any term or condition of employment against any employee covered by this Agreement because of any legitimate activity pursuant to this Agreement by the individual employee or the Association on behalf of its members, nor will the County encourage membership in any other employee organization.

B. The Association recognizes its responsibilities as the exclusive bargaining agent and agrees to represent all employees in the bargaining units without discrimination, interference, restraint, or coercion.

C. The provisions of this agreement shall be applied equally to all employees in the negotiating unit without discrimination as to age, sex, sexual orientation, marital status, race, color, creed, national origin, or political affiliation.

(Revised 7/1/10)

ARTICLE 8 – WORK HOURS

Individuals covered by this Agreement are professional, salaried employees and are therefore exempt from the overtime provisions of the Fair Labor Standards Act.

(Revised 1/01/95)

ARTICLE 9 - ANNUAL LEAVE

A. Vacation Accrual for Full-time Employees:

1. On the first day of the pay period following the completion of six (6) months continuous County service, each employee who is employed full time shall be entitled to sixty (60) hours vacation leave credit.

Thereafter, employees shall accrue vacation credit at bi-weekly equivalent of the rates established below:

| <u>Years of Continuous Service</u> | <u>Annual Hours Earned</u> |
|--|----------------------------|
| Less than three (3) years | 120 hours |
| Three (3) but less than five (5) years | 160 hours |
| Five (5) but less than twenty (20) years | 200 hours |
| Twenty (20) years or more | 240 hours |

(Effective on or before August 26, 2024)

Part-time employees shall be allowed vacation credit prorated on the basis of the rates established for full-time employees.

B. Generic Provisions:

1. An employee's seniority for vacation accrual shall include all periods of service from the employee's last continuous permanent County employment date, except as provided herein. Periods of separation may not be bridged to extend service unless the separation is a result of layoff, in which case bridging will be authorized if the employee is re-employed in a permanent position, or unless an employee who separates is re-employed within one (1) year and then works a minimum of one (1) year upon re-employment.

2. Vacation credit shall accrue only when an employee is in a paid status.

3. The time when vacation is to be taken shall be determined by the appointing authority after considering the needs of the department and the seniority and wishes of the employees. Vacation credit may be accumulated from year to year not to exceed 240 hours. Amounts in excess of 240 hours as of the end of the biweekly pay period encompassing December 31st shall be forfeited as of that pay period. Provided, the department head or designee does not submit a written request to the Comptroller/Payroll Office, on or before the end of pay period #26 in the calendar year, indicating an unforeseen valid reason for an employee's inability to take vacation (i.e., Court case, military leave, maternity leave, Worker's Comp. etc.), or if an employee, on or before October 15, requests permission to take annual leave, and the employee's request is denied, the employee is entitled to payment for any annual leave in excess of two hundred and forty (240) hours which the employee requested to take and which the employee would otherwise forfeit as a result of the denial of the employee's request. The Department's obligation is to afford the employee the ability to use their annual leave, which may not necessarily be the dates requested by the employee. For example, an employee on October 1, requests to use forty (40) hours annual leave for the five (5) workdays preceding Christmas. The Department may deny said time off, and still allow the employee to use their annual leave at a different time prior to the end of the year to avoid forfeiture of annual leave. Vacation leave taken during a biweekly period shall be charged before vacation leave earned during that pay period is credited.

(Revised 7-01-22)

4. Upon request, an employee may elect to receive a cash payment for no less than sixteen (16) hours and no more than forty (40) hours of accumulated vacation leave in each payroll calendar year. Such payment shall be made once per year, at the employee's current base rate of pay, provided the employee notifies the department of such election on or before October 15. Requests for cash payment must be submitted in writing to the Comptroller's Office and payment will occur within two (2) pay periods of receipt on the regularly scheduled pay date.

(Added 7-01-19)

5. Except as otherwise provided in this Article, upon separation from service for any cause, an employee shall be paid a lump sum payment for any unused accumulated vacation earned

through the last day worked. If this date is earlier than the last pay period, the vacation shall be prorated.

(Revised 1/01/04)

ARTICLE 10 - SICK LEAVE

A. Each employee in the service of the County for less than ten (10) years shall be credited with sick leave at the rate of 4.62 hours for each bi-weekly pay period of full-time service. Each employee in the service of the County for ten (10) or more continuous years shall be credited with 5.54 hours for each bi-weekly pay period of full-time service. Part-time employees shall be allowed pro-rated sick leave on the basis of the rates established for full-time employees. Sick leave is cumulative from year to year.

B. An employee is entitled to use accrued sick leave only:

1. When incapacitated to perform the duties of his/her position due to sickness, injury, pregnancy or childbirth;
2. When quarantined;
3. When receiving required medical or dental service or examination;
4. Upon illness in the employee's immediate family where such illness requires the employee's attendance. For this purpose "immediate family" means the employee's spouse, parents (including step and foster), domestic partner, children (including step and foster), brothers or sisters, grandparents and corresponding relation by affinity;

(Revised 7/1/10)

5. For purposes of bonding after the birth or placement of a child due to adoption or foster care, leave is available pursuant to the Family and Medical Leave Act (FMLA) regardless of the gender identity/expression of the employee. An employee taking bonding leave under the FMLA may use annual leave and compensatory leave in addition to sick leave. Leave must occur within the first year after the event;

6. Upon death of an employee's immediate family, he/she may use accrued sick leave, coded as bereavement leave, not to exceed ten (10) days for attending the funeral services. For this purpose "immediate family" means the employee's spouse, parents (including step and foster), domestic partner, children (including step and foster), brothers, sisters, grandchildren, grandparents, aunts, uncles, nieces, nephews and corresponding relation by affinity. Bereavement leave must occur within the first year after the death of the family member, and will not be considered sick leave in determining an employee's eligibility for personal leave under Article 10.

(Revised 7/1/24)

C. An employee requiring sick or bereavement leave must, if required, provide the Appointing Authority with evidence of such need. For sick leave absences of more than three (3) days, or in cases of suspected sick or bereavement leave abuse, the Appointing Authority may require the employee to submit substantiating evidence, including but not limited to a physician's certificate death announcement, or celebration of life announcement.

(Revised 7/1/24)

D. If any employee does not have adequate accrued sick leave time, the Appointing Authority may grant the use of accrued vacation time in lieu thereof. In no case, however, will sick leave be granted in lieu of vacation time.

E. Sick leave shall be charged on an hourly basis for each full hour or major portion of an hour of sick leave taken. Holidays occurring during sick leave period shall not be counted as sick leave time.

Sick leave taken during a bi-weekly pay period shall be charged before sick leave earned that pay period is credited.

F. An employee separated from the service shall earn sick leave only through the last working day for which he/she is entitled to pay. Upon death, retirement, permanent disability, or upon termination of an employee after ten (10) years of full-time employment or its equivalent, an employee shall be compensated for total accrued sick leave in excess of three hundred (300) hours at the rate of one (1) hour's pay at the employee's regular hourly rate for every two (2) hours of such excess. The maximum payment for accrued sick leave shall not exceed eight hundred (800) hours at the employee's regular hourly rate. No payment shall be made for accrued sick leave of three hundred (300) hours or less.

(Revised 7/1/13)

G. As long as an employee is in a paid status, he/she shall earn sick and vacation leave during the time he/she is on such leave. If the employee is on leave without pay, he/she shall not earn sick or vacation leave during the time he/she is on such leave.

H. Starting with the first pay period in a calendar year, employees who use zero (0) to thirty-two (32) hours of sick leave as of the last full pay period in a calendar year shall receive twenty four (24) hours of personal paid leave credit at the end of the first full pay period the following January. Employees who use thirty-three (33) to forty (40) hours of sick leave in this same period shall receive eight (8) hours of personal paid leave at the time specified above. The personal leave must be used by the end of the last full pay period in the calendar year in which it is credited and if not used, will be forfeited. There will be no cash payment for unused personal leave.

I. Employees shall be allowed to voluntarily transfer up to a maximum of eighty (80) hours of their accumulated vacation leave during any calendar year to another employee who has no accumulated sick leave hours, but who is otherwise eligible to take paid sick leave. Donated vacation must be converted into money at the hourly rate of the donor and the money must be converted into sick leave at the hourly rate of the recipient. The maximum amount of accumulated leave transferred to any employee under the terms of this article shall be four hundred eighty (480) hours per calendar year. Once leave has been donated and transferred, such leave hours shall not be refundable to the donor making the transfer.

(Revised 2/25/00)

J. The County agrees to continue efforts with PERS to gain authorization for the County to make the payment for accrued sick leave, per the qualifications and formula contained in this agreement, vacation and compensatory leave directly to PERS to purchase retirement credit on behalf of any employee who so elects, and the parties agree to implement said policy and incorporate it into the agreement upon such approval by PERS.

(Added 1/01/04)

K. Following ratification of the labor agreement, the parties agree to form a committee of management and association representatives to study options relating to issues surrounding sick leave usage, sick leave incentive programs, paid time off, and other concepts and best practices utilized in these areas. The determination of the feasibility of implementation of such programs shall be reserved to negotiations of the successor labor agreement unless mutually accepted, ratified and approved by the respective employee associations and the Washoe County Board of County Commissioners.

(Added 1/01/04)

L. Parental Leave: Subject to the requirements and limitations in this Article, employees covered by this Agreement who are eligible for leave under the Family and Medical Leave Act (FMLA) are eligible for up to four (4) weeks of paid parental leave following the birth of a child of the employee or the placement of a child with an employee for adoption or foster care.

1. Paid parental leave will not exceed four (4) weeks in any rolling twelve (12) month period, regardless of whether more than one birth, adoption, or foster placement occurs within that period.

2. Paid parental leave will run concurrently with any applicable FMLA leave. To receive paid parental leave, an employee must meet all qualifications for FMLA leave for the birth of a child of the employee or the placement of a child with an employee for adoption or foster care. Employees should consult the County's FMLA Policy for more information about FMLA leave.

3. An employee must take paid parental leave in one continuous period that falls entirely within twelve (12) months of the birth or placement of the child. Any unused paid parental leave will be forfeited twelve (12) months after the birth or placement of the child.

4. Holidays will not extend the period of paid parental leave.

5. Upon termination of employment for any reason, an employee will not be paid for any unused paid parental leave for which they were eligible.

(Effective 7-1-24)

ARTICLE 11 - MILITARY LEAVE

In accordance with NRS 281.145, any employee of the County who is absent due to being called into the military services of the United States, or the State of Nevada, to serve under orders of military duty, shall be relieved from his County duties, upon his presentation of orders, to serve without loss in regular compensation for a period not to exceed fifteen (15) working days in any one (1) calendar year. Any such absence shall not be deemed to be an employee's annual vacation.

ARTICLE 12 - LEAVE OF ABSENCE

A. A leave of absence may be granted to any employee occupying a permanent position. A leave of absence shall be granted only to an employee who desires to return therefrom to the County service and who at the time the leave is granted has a satisfactory service record.

B. Leave of absence for thirty (30) working days or less in any calendar year may be granted upon the approval of the appointing authority. Leave requests for more than thirty (30) working days and up to one (1) year may be granted upon the recommendation of the appointing authority and the approval of the County Manager or designee.

C. Upon approval of the appointing authority and the County Manager or designee, a leave of absence may be granted to an employee who desires to attend school or college or to enter training to improve the quality of the employee's service, who is temporarily incapacitated by illness or pregnancy, who is loaned to another governmental agency for the performance of a specific assignment, or for some other reason equally satisfactory. A leave of absence shall not be granted to an employee who is accepting another position in the classified service or who is leaving the County service to accept other employment, except as provided in this subsection.

D. A leave of absence with pay shall be granted to any County employee required by law to appear as a juror or, who in their official capacity, is required by law to serve as a witness for the Federal Government, the State of Nevada, or a political subdivision thereof. The employee shall be paid the

employee's regular salary while on leave of absence, but must remit to the County all fees that the employee may receive as a witness or juror, except for mileage and per diem. Court leave shall not be charged against the employee's vacation credit.

E. The Board of County Commissioners, upon the recommendation of the County Manager, may grant a leave of absence without pay in excess of one (1) year to an employee for the purpose of attending extended course of training at a recognized college or university, accepting a position in the unclassified service, and for other purposes deemed beneficial to the public service.

F. Employees taking authorized education leaves may elect to use accumulated annual leave at their option.

G. Leave of absence with pay may be granted by the appointing authority to allow employees time off to vote, pursuant to the provisions of NRS 293.463.

H. Leave of absence with pay shall be granted to an employee to act as a volunteer firefighter for any regular organized and recognized fire department for the protection of life or property during working hours or fractions thereof which should otherwise have been devoted to County employment. Further, any employee whose absence from the job is for the purpose of aiding in a public emergency as a volunteer reserve member of a police department or sheriff's office may be relieved from the employee's duties, without the loss of compensation, upon request and approval of the employee's appointing authority, and with the approval of the County Manager.

I. The provisions of this article do not apply to any leave of absence that is governed by the Family and Medical Leave Act.

J. Disability Retirement:

Employees hired prior to April 29, 1998, who are incapable or restricted in the performance of their position for health reasons, who pursue either regular or disability PERS benefits, may apply for up to three years credit towards reaching the next plateau for payment of their health insurance premium upon retirement. Such application shall be to the Director of Human Resources who shall have discretion to grant or deny said request after review of all submitted health records and consultation with the employee and appointing authority.

(Revised 7/01/22)

ARTICLE 13 - MATERNITY/PATERNITY LEAVE

The department will make any reasonable effort to permit the employee to use accumulated annual leave for the purpose of pregnancy, childbirth, or care of a newborn infant(s).

ARTICLE 14 - SALARIES

A. Schedule of Salary Ranges

1. The Schedule of Salary ranges of all personnel covered by this Agreement is set forth in Appendix A.

2. The salary schedules listed in the Appendices to this Agreement are subject to change during the term of the Agreement as a result of changes to the retirement contribution rate provided for under NRS 286.421(3)(a)(2).

3. The parties agree the following salary adjustments shall be made during the term of this agreement:

- (a) Effective July 1, 2024, the County agrees to provide a cost-of-living adjustment of 3% to all employees covered by the WCPAA contract. For employees with more than ten (10) years of continuous County service by July 1, 2024, they will receive an additional 0.25% cost-of-living adjustment for a total of 3.25% on July 1, 2024.

B. The Appointing Authority shall review and evaluate the performance of each attorney in their respective offices annually as provided for in the Washoe County Merit Personnel Ordinance.

C. Merit Salary Adjustments

1. The amount of merit salary adjustment paid employees pursuant to the Washoe County Merit Personnel Ordinance shall be five percent (5%).
2. Employees shall be notified within 30 days after their merit salary increase is due whether their merit salary adjustment has been denied. If the employee is not notified within 30 days of his/her merit salary adjustment due date, then the merit salary adjustment shall be granted.
3. Authorized leave without pay for thirty (30) days or less in a year shall not result in a new anniversary date. Authorized leave without pay in excess of thirty (30) days in a year shall establish a new anniversary date by adding the amount of the leave time to the employee's original anniversary date.

D. Salary Upon Promotion

When an employee is promoted, he is entitled to the entry salary for the higher grade or ten percent (10%) above the employee's base salary, whichever is greater, provided there is at least a ten percent (10%) differential between the top of the salary range for the lower grade and the top of the salary range for the higher grade. If the differential between the two grades is between five percent (5%) and ten percent (10%), the employee is entitled to the entry salary for the higher grade or the differential between the two grades whichever is greater. In all instances, the amount of the salary increase upon promotion must not exceed the top of the salary range for the higher grade.

E. Movement Between Levels I, II, and III

ARTICLE 17 – BAIL REFORM PAY

A. Attorneys covered by this agreement are entitled to bail reform pay when responsible for the preparation and court coverage associated with the pretrial release hearings as mandated by AB 424 (NV Leg. 2021) *in addition to their normal job duties*. Attorneys covered by this agreement who are designated by their respective department head to a specific team and/or group and/or unit who is responsible for the preparation and coverage of the pretrial release hearing docket(s) are not entitled to bail reform pay. For example, in the event new positions are not authorized or adequately staffed by July 1, 2022, and/or a new unit, group, or team is not created from existing personnel to be responsible for the pretrial release docket(s), and the responsibility for preparation and court coverage of the pretrial release docket falls to existing attorneys in addition to their normal job duties, that attorney would be entitled to the compensation in addition to their regular salary. However, in the event new positions are created and/or staffed and/or a new “team” or unit is created by a department head that is responsible for the preparation and coverage of the pretrial release hearing docket, attorneys covered by this agreement would not be entitled to additional compensation with exception of the Holiday Coverage pay outlined in Section (B)(2) below.

B. Bail reform pay rates shall be as follows:

1. Saturday or Sunday Coverage: For any Saturday or Sunday that does not constitute a holiday, each attorney covered by this agreement that is not a member of a team or unit that is responsible for the coverage of the pretrial release hearing docket and who is not regularly scheduled to work on a Saturday or Sunday shall be compensated at their hourly rate for actual hours worked for the preparation and coverage of the pretrial release hearing docket, plus \$250 per day. This additional compensation is contingent on preparation and court appearance on that given Saturday and Sunday.
2. This additional compensation is contingent on preparation and court appearance on that given holiday or County observed holiday date. The holiday coverage pay would apply to any member who is responsible for preparation and coverage of a pretrial release hearing docket regardless of whether they are a member of specific team, group, or unit which would be otherwise responsible for covering these pretrial release hearings.

E. Retiree Health Insurance

The Retiree Health Insurance benefit is based on the employee's original date of hire and total years of County service.

1. For those individuals employed by the County between May 3, 1977 and January 13, 1981, the following provisions apply:
 - (a) The County will pay 50% of the medical insurance premium attributable to the employee for participation in the County's Retiree Health Insurance Program upon the employee's retirement and receipt of benefits from Nevada PERS, provided the employee has at least a total of ten (10) years of full-time County employment.
 - (b) The County will pay 75% of the medical insurance premium attributable to the employee for participation in the County's Retiree Health Insurance Program upon the employee's retirement and receipt of benefits from Nevada PERS, provided the employee has at least a total of fifteen (15) years of full-time County employment.
 - (c) The County will pay 100% of the medical insurance premium attributable to the employee for participation in the County's Retiree Health Insurance Program upon the employee's retirement and receipt of benefits from Nevada PERS, provided the employee has at least a total of twenty (20) years of full-time County employment.

The payments specified in a, b, and c, above, will be made in accordance with and are subject to all applicable laws in effect at the time of the employee's retirement, and are contingent upon the employee being medically eligible to be reinstated into the County's Retiree Health Insurance Program if there has been a break in coverage under the County's Health Plan.

2. For those employees hired on or after January 13, 1981, the provisions listed in Section E.1. above, are applicable except that in order to receive the retiree health insurance benefits an individual must be an employee of Washoe County immediately prior to drawing retirement benefits.

3. The parties recognize that the cost of retiree health insurance should be considered a current benefit earned and paid for during an individual's employment with the benefit simply being deferred until retirement. Based upon this, the parties further recognize that the funding of the retiree health insurance program must be addressed during the period of employment of active employees in order to try and ensure the fiscal integrity of the program in the future and in order to try and ensure that the benefit upon retirement can be provided. Additionally, the parties recognize that the prefunding of the service cost of this program, which is addressed below, only represents a portion of the funding obligations of this program and that the parties will address the unfunded liability portion of this program in the future. At the point in time when the retiree health insurance program is fully prefunded, with no unfunded liability remaining, the retiree health

insurance program will be fully considered a current benefit earned and paid for during an individual's employment with the benefit simply being deferred until retirement. With those mutual recognitions and understandings, the parties herein agree to prefund the program annually at the actuarially determined service cost amount attributable to this bargaining unit beginning July 1, 1996. The amount of the service cost attributable to this bargaining unit will be a percentage of the number of employees represented by the bargaining unit compared to the number of employees covered under the County's Health Benefit Program.

4. For those employees hired on or after April 29, 1998 through June 30, 2011 the County will pay a portion of the medical insurance premium in the form of a subsidy as established by the County. This subsidy may only be used to offset the cost of the medical plan premiums offered through the Washoe County Retiree Health Benefits Program. Upon reaching the age of Medicare eligibility, employees referenced in this section must enroll in Medicare Parts A and B, with Medicare becoming primary coverage and Washoe County becoming secondary upon Medicare eligibility, should they elect to remain in the County Retiree Health Plan. In order to receive the retiree health insurance benefits an individual must be an employee of Washoe County immediately prior to drawing retirement benefits.

(Revised 7-1-19)

5. Washoe County will provide a monthly subsidy to the employees referenced in paragraph 4 at the following rates provided in Appendix C based on years of County service prior to retirement from the County, with a minimum of five (5) years of service and maximum of twenty (20) years of service. Effective January 1, 2020, the amounts in the schedule shall be adjusted to the nearest dollar to reflect any change using the CPI Medical Index during any year there is an increase to the medical plan premiums. When medical premium amounts do not change, there shall be no change to the subsidy schedules for the coinciding plan year.

(Revised 7-01-19)

6. For those employees hired after June 30, 2010, there will be no retiree medical health care contribution by the County. Upon reaching the age of Medicare eligibility, employees in this section must enroll in Medicare Parts A and B with Medicare becoming primary coverage and Washoe County becoming secondary, should they elect to remain in the County Retiree Health Plan.

a.) Effective July 1, 2024, any employee who has at least fifteen (15) years of County service will contribute 30% of their unused sick leave upon their retirement into a Post Employment Health Reimbursement Arrangement (PEHRA). The employee shall be compensated for the contribution made to the PEHRA which shall be used to pay for the employee's retiree health plan premiums. For each hour of sick leave contributed to the PEHRA, the employee shall be paid the equivalent of their base hourly wage at the time of their retirement.

1.) The County has the exclusive right to determine the third-party vendor for this plan and shall provide at least 90-days notice should this vendor change.

2.) The County will provide communication and education materials to assist employees with understanding the plan.

3.) The County will comply with all state and federal regulatory requirements relating to managing the PEHRA.

a.) Regulations only allow legal spouses and legal dependents (not turning 27 or older in the tax year) to continue using the funds after the participants death. Funds cannot be passed on to non-spouse or non-qualifying dependent beneficiaries.

4.) Eligible expenses of the PEHRA shall be limited to after-tax premiums (Health, Dental, Vision, Medicare Part B, Medicare

Part D, Medicare Supplement, and Long-Term Care insurance).

F. In lieu of submitting a grievance in writing, a grievance or response via e-mail to the appropriate party shall suffice.

II. Grievance Procedure

Step 1

The aggrieved employee shall take up the grievance with his immediate supervisor or, in the event the matter giving rise to the grievance occurs at the supervisory level above the immediate supervisor, the grievant may file a grievance with the next level of supervision within fourteen (14) days of when the employee knew or should have known of the occurrence giving rise to the grievance.
