# What is Artown?

Artown's primary goals are to present the finest performing artists from around the world and encourage local artist and creative participation to highlight the finest multidisciplinary arts in northern Nevada.

Artown, a month-long summer arts festival, features nearly 500 events produced by more than 100 organizations and businesses at over 130 locations city and countywide.

Most events are free or low cost. Support from corporate sponsors, foundations and individual donors enables Artown to bring some of the world's greatest artists and performances into our community.

## Why Artown at Rancho?

Artown has a great reputation for bringing the Reno community together through the arts. This is a wonderful opportunity to create even more connections with the community.

## Artown's Vision with Rancho

Artown has four Cultural Connections Series performances for 2025, and will be taking place at Rancho every Wednesday of July. There will be a performance that specifically connects to various cultures (to be announced). The variety of different cultural performances creates a unique type of inclusion to our community.

In addition, the opening night will be July 1st, with potentially 2,000 people expected to attend. As well as Closing Night on July 31st.
