**Administrative Permit Application
Supplemental Information**
(All required information may be separately attached)

1. What is the type of project or use being requested?

My request is to operate a daycare center within the proposed location (Suite #103).

2. What section of the Washoe County code requires the Administrative permit required?

110.302.10 and 110.302.15

3. What currently developed portions of the property or existing structures are going to be used with this permit?

Suite #103 within the building depicted on the development application will be the only space that is utilized for child care.

4. What improvements (e.g. new structures, roadway improvements, utilities, sanitation, water supply, drainage, parking, signs, etc.) will have to be constructed or installed and what is the projected time frame for the completion of each?

No construction is purposed.

5. Is there a phasing schedule for the construction and completion of the project?

No construction is purposed.

6. What physical characteristics of your location and/or premises are especially suited to deal with the impacts and the intensity of your proposed use?

Suite #103 has two rooms that will be utilized as sleeping areas for the children. A main room that will serve as a play area, a kitchen/break room, bathroom, and office.

7. What are the anticipated beneficial aspects or effect your project will have on adjacent properties and the community?

This location will increase the availability of child care in the Woodland Village community.

8. What will you do to minimize the anticipated negative impacts or effect your project will have on adjacent properties?

This project will be located in Suite #103, in an existing building. I do not anticipate that there will be negative impacts, as the property owner of the entire neighborhood has approved this use.

9. Please describe any operational parameters and/or voluntary conditions of approval to be imposed on the administrative permit to address community impacts.

10. How many improved parking spaces, both on-site and off-site, are available or will be provided? (Please indicate on site plan.)

There are 61 on-site parking paces, and additional street parking. Please refer to page 8 for parking depiction.

11. What types of landscaping (e.g. shrubs, trees, fencing, painting scheme, etc.) are proposed? (Please indicate location on site plan.)

Changes to the landscaping are not purposed.

12. What type of signs and lighting will be provided? On a separate sheet, show a depiction (height, width, construction materials, colors, illumination methods, lighting intensity, base landscaping, etc.) of each sign and the typical lighting standards. (Please indicate location of signs and lights on site plan.)

Please refer to pages 17, 18, and 19 for signage plan.

13. Are there any restrictive covenants, recorded conditions, or deed restrictions (CC&Rs) that apply to the area subject to the administrative permit request? (If so, please attach a copy.)

<input type="checkbox"/> Yes	<input checked="" type="checkbox"/> No
------------------------------	--

14. Utilities:

a. Sewer Service	Washoe County
b. Water Service	Great Basin Water Company

For most uses, the Washoe County Code, Chapter 110, Article 422, Water and Sewer Resource Requirements, requires the dedication of water rights to Washoe County. Please indicate the type and quantity of water rights you have available should dedication be required:

c. Permit #		acre-feet per year	
d. Certificate #		acre-feet per year	
e. Surface Claim #		acre-feet per year	
f. Other, #		acre-feet per year	

Title of those rights (as filed with the State Engineer in the Division of Water Resources of the Department of Conservation and Natural Resources):

Signage Plan

The following pages of this section include proofs of the proposed signage plan for this Infant/Toddler Child Care Center project, Lullaby Nursery.

Please Note:

- **Signage will be limited to window decals.**
- The **dimensions** of Decal 1 will be 24" x 24"
- The **dimensions** of Decal 2 will be 12" x 18"
- The **material** of both signs (Decal 1 and Decal 2) will be of a transparent-backed vinyl, which is designed for outer glass placement.
- There will not be any additional **lighting** methods used in this signage plan, as the project location is in an already-developed building, with existing lighting methods on the exterior of the building.

Correlating Information

Refer to the directory to review the page titled "**Signage Location and Configuration**" for prints of signage placement in regards to Suite 103.
