## Interests & Experiences

### Which Boards would you like to apply for?

Washoe County Senior Services Advisory Board: Submitted

### Please tell us about yourself

### Why are you interested in serving on this board/commission?

I have the time and see the need, and miss the involvement. Two of my previous jobs required close interaction with all County and Tribal departments to include Health and Human Services, Sheriff, and Probation. I'm familiar with most most of the federally funded programs available to those departments. which affect the human condition. This knowledge, I believe, could be valuable to the work carried out by the Commission.

**How do you feel you are qualified to serve on this board? Include any past experience, as well as serving on other board/commissions.**

---

Prior to retirement, I was the Director of Finance for Glenn County California. That meant I was the Auditor- Controller, and Treasurer- Tax Collector. Additionally I was the Information Services Director and since the county did not have a County Administrative Officer, I was also the Budgeting Officer. Additionally I served for five years on the eleven member State Controller's Committee on County Tax Collecting Procedures. Previous to that I was the Chief Financial Officer for the Hoopa Valley Tribe. These jobs required close interaction with all departments to include Health and Human Services, Sheriff, and Probation. I'm familiar with most most of the federally funded programs available to those departments. This knowledge, I believe, could be valuable to the work carried out by the Commission. In general, since 1976 I have held the position of Chief Financial Officer, Controller, or Treasurer at public (SEC) and private corporations ranging in size from start-ups to billion plus dollar multi-divisional, multi-national. The industries involved were primarily food manufacturing-distribution, government contracting, and hi-tech.
