## Interests & Experiences

### Which Boards would you like to apply for?

Washoe County Senior Services Advisory Board: Submitted

### Please tell us about yourself

### Why are you interested in serving on this board/commission?

I am deeply interested in serving because I have first hand experience with the challenges and opportunities that come with aging. As a senior myself, I am keenly aware of the issues that impact our community such as healthcare access, social isolation, and affordable food and housing. I am particularly interested in issues surrounding the financial exploitation and abuse of seniors.

**How do you feel you are qualified to serve on this board? Include any past experience, as well as serving on other board/commissions.**

I recently served on the Federal Trade Commission Advisory Subcommittee to advise the FTC on aspects of the Stop Senior Scams Act, passed by Congress in 2022. The group is made up of representatives of government agencies, advocacy groups and private industry to address different areas focused on protecting older adults from scams. My group was focused on training employees such as bank tellers and retail staff in recognizing and preventing financial crime. I believe that my perspective, combined with my commitment to advocating for the well-being of seniors, will be a valuable addition to the board. I am passionate about ensuring that our county provides effective and compassionate services to support seniors in living healthy, fulfilling lives. Additionally, I have developed strong communication and problem-solving skills through my work and professional experiences, which I believe will contribute positively to the board's efforts.
