Please tell us about yourself

Why are you interested in being part of this board, commission, or academy?

I am 60 and my husband is 76. We are long time residents of Washoe County. Through our volunteer work with local Non-Profits we have become acquainted with many senior citizens here that are in need of resources, but unsure of where to find them. I'd like to help.

How do you feel you are qualified to serve on this board? Include any past experience, as well as serving on other board/commissions.

I have been a resident of Washoe County since 2009 and bring a wealth of professional and personal experience that aligns with the needs of the Senior Services Advisory Board. With a bachelor's degree in accounting and my status as an Enrolled Agent, I have built a robust career in financial management. My professional journey includes two roles with the State of Nevada in accounting capacities, providing me with a deep understanding of fiscal responsibility and public service. Since 2019, I have successfully operated my own bookkeeping and tax preparation business in Sparks. Many of my clients are retirees or elderly individuals, giving me firsthand insight into the financial and personal challenges faced by seniors. At 60 years old, I am uniquely positioned to relate to the concerns of the senior community while leveraging my accounting expertise to contribute meaningfully to the board's mission. My professional background, combined with my personal connection to the senior demographic, equips me to offer valuable perspectives and informed decision-making to the Washoe County Senior Services Advisory Board
