**Forum Restrictions and Orderly Conduct of Business.** The 800 MHz Joint Operating Committee conducts the business of Washoe County and its citizens during its meetings. The presiding officer may order the removal of any person whose statement or other conduct disrupts the orderly, efficient, or safe conduct of the meeting. Warnings against disruptive comments or behavior may or may not be given prior to removal. Examples of disruptive conduct include, without limitation, yelling, stamping of feet, whistles, applause, heckling, name calling, use of profanity, threatening use of physical force, or any other acts intended to impede the meeting or infringe on the rights of the 800 MHz Joint Operating Committee, staff, or meeting participants. The viewpoint of a speaker will not be restricted, but reasonable restrictions may be imposed upon the time, place, and manner of speech. Irrelevant and unduly repetitious statements and personal attacks which antagonize or incite others are examples of speech that may be reasonably limited.

**Responses to Public Comments.** The 800 MHz Joint Operating Committee can deliberate or take action only if a matter has been listed on an agenda properly posted prior to the meeting. The Open Meeting Law does not expressly prohibit responses to public comments by the 800 MHz Joint Operating Committee. However, responses from 800 MHz Joint Operating Committee members to unlisted public comment topics could become deliberation on a matter without notice to the public. To avoid this situation and to ensure the public has notice of all matters the 800 MHz Joint Operating Committee will consider, the 800 MHz Joint Operating Committee may choose not to respond to public comments, except to correct factual inaccuracies, ask for Washoe County staff to provide information, or to ask that a matter be listed on a future 800 MHz Joint Operating Committee meeting agenda.

**Special Accommodations.** Persons with disabilities who require special accommodations or assistance (e.g., sign language, interpreters or assisted listening devices, etc.) at the meeting should notify Washoe County Technology Services, Sara DeLozier, by emailing [sdelozier@washoecounty.gov](mailto:sdelozier@washoecounty.gov) or by leaving a message at 775-328-2350 at least 48 hours before the meeting so that arrangements/accommodations can be made.
