Candidate Statement

Provide a candidate statement not to exceed 200 words in length.

Family law is a unique field of law. It requires an understanding of the law and an understanding of the people who come before the Court. It requires an aptitude for the law and an attitude willing to understand the litigants who appear before the Court.

I have had the unique opportunity to have been both an attorney and a judicial officer in the Second Judicial District Court. Or, rather, I've been on both sides of the experience. I will be able to bring my experiences from both sides of the bench to the position of Family Court Judge.
